CHAPTER 1: INTRODUCTION AND GENERAL POLICY

1.1 Introduction

Boston Housing Authority’s Mission Statement: It is the mission of the Boston Housing Authority (“BHA” or “the Authority”) to provide stable, quality affordable housing for low- and moderate-income persons; to deliver these services with integrity and mutual accountability; and to create living environments, which serve as catalysts for the transformation from dependence to economic self-sufficiency.

This Admissions and Continued Occupancy Policy (ACOP) describes the admission, occupancy and transfer policies by which the BHA determines eligibility for admission, selects prospective residents, assigns apartments, admits residents, and processes transfers, in a fair and nondiscriminatory manner.

This ACOP is applicable to BHA Public Housing Developments only. The BHA has additional housing units within its portfolio. Application information for those sites can be found on the BHA website.

1.2 Statement of Nondiscrimination

1.2.1 Compliance with Federal and State Laws

It is the policy of the BHA to comply fully with existing Federal and State laws¹ protecting the individual rights of applicants, residents, or staff and any laws subsequently enacted.

1.2.2 Civil Rights and Fair Housing

The Authority does not discriminate because of race, color, sex, sexual orientation, gender identity, religion, age, handicap, disability, national origin, ethnicity, familial status or marital status, in the leasing, rental, sale or transfer of apartments, buildings, and related facilities, including land that it owns or controls.²

¹ Title VI of the Civil Rights Act of 1964 and the implementing regulations at 24 CFR Part 1; Title VIII of the Civil Rights Act of 1968 (as amended by the Fair Housing Amendment Act of 1988); Executive Order 11063 on Equal Opportunity in Housing and the implementing regulations at 24 CFR Part 107; Section 504 of the Rehabilitation Act of 1973 and the implementing regulations at 24 CFR Part 8; the Age Discrimination Act of 1975 and the implementing regulations at 24 CFR Part 146; and the implementing regulations at 24 CFR Parts 100,108,110, and 121. Title II of the Americans with Disabilities Act and the implementing regulations at 28 CFR Part 35 and M.G.L. Chapter 151B. For BHA’s state-aided housing, applicable regulations are found at 760 CMR 4.00, 5.00 and 6.00 covering housing developed under the Chapter 200, Chapter 667 and Chapter 705 programs.

² Buildings must be owned by the Authority and covered by a contract for annual contributions under the United States Housing Act of 1937 for properties in the Federal program, and/or a Massachusetts Department of Housing and Community Development Contract for Financial Assistance or operating funds for properties in the State program.

The BHA shall not, on account of race, color, sex, religion, age, sexual orientation, gender identity, disability, handicap, national origin, ethnicity, marital status or familial status:³

- (a) Deny to any Household the opportunity to apply for housing, or deny to any qualified Applicant the opportunity to lease housing suitable to his/her needs;
- (b) Provide housing which is different from that provided others except as required or permitted by law and in accordance with this Policy;
- (c) Subject any person to segregation or disparate treatment;
- (d) Restrict a person's access to any benefit enjoyed by others in connection with the housing program;
- (e) Treat a person differently in determining eligibility or other requirements for admission;
- (f) Deny a person access to the same level of services available to other similarly situated individuals; or
- (g) Deny a person the opportunity to participate in a planning or advisory group that is an integral part of the housing program.

1.2.3 Fair Admissions

The BHA shall not automatically deny admission to a particular group or category of otherwise eligible Applicants (e.g., Households with children born to unmarried parents or Households where the Head of Household or Co-Head of Household is a student). Each Applicant in a particular group or category must be treated on an individual basis in the normal processing routine.

1.2.4 Reasonable Accommodations

The BHA shall make reasonable accommodations in policies and procedures and, if necessary and reasonable, make certain structural modifications for persons with disabilities (Applicants or residents) in accordance with the BHA's **Reasonable Accommodation Policy**.

- (a) The BHA cannot refuse to make a Reasonable Accommodation in rules, policies, practices or services when such accommodation may be necessary to afford a person with a physical or mental impairment equal opportunity to use and enjoy a BHA apartment, including public and common use areas.

³ See M.G.L. Chapter. 151B, § 4 and 42 U.S.C. § 3601

(b) The BHA must make a modification to existing premises, when requested by a Disabled person, if the modification is reasonable and necessary to afford equal opportunity to use and enjoy BHA premises.

(c) An accommodation or structural modification is not reasonable if it would impose an undue administrative and financial burden on the BHA, or fundamentally alter the nature of the public housing program. The burden of demonstrating that a requested accommodation is unreasonable and imposes an undue administrative and financial burden, or fundamentally alters the nature of the public housing program is on the BHA. If granting the requested accommodation would create an undue administrative and financial burden, the BHA shall approve the request to the extent that it can do so without undergoing the undue burden or fundamental program alteration as described above.

(d) Requests for accommodation with respect to documents used by the BHA should be made to the Authority's TDD phone number, TTY phone number, Civil Rights Department, Admissions Department, Development Manager's Office, or the Housing Service Center. In addition, although there are many different staff members who may review a request for reasonable accommodation, the BHA has a Reasonable Accommodation Coordinator who may be contacted for assistance. The Reasonable Accommodation Coordinator can be reached in the BHA's Office of Civil Rights.

1.2.5 Records of Applications for Admission and Transfer

BHA records with respect to applications for admission and transfer shall indicate the following for each application:

- (a) Date and time of receipt
- (b) The Applicant's choice(s) of development(s)
- (c) The determination of the BHA as to eligibility or non-eligibility of the Applicant or Resident
- (d) Where eligible, the apartment size for which eligible.
- (e) Where eligible the Priority and/or Preference category granted, if any and the date such eligibility is granted.
- (f) Race of Household Members (for statistical purposes only)
- (g) Status as a Disabled Household or Household Member
- (h) Name(s) of Household Member(s)
- (i) Address of Household including mailing address

(j) Client number

1.2.6 Records of Apartments Offered

The BHA will maintain a record of apartments offered and to whom offered, including the date, location, apartment identification, client number, circumstances of each offer, each acceptance or rejection, and the reason for any rejection.

1.2.7 Applicant/Transfer Applicant Appeal Procedure

An Applicant or resident who believes himself/herself to have been aggrieved by any action, inaction or decision of the BHA in the processing of his/her application for admission or transfer application shall have the right to a hearing. Applicants for admission are entitled to an appeal before a hearing officer pursuant to the provisions of this Policy and transfer applicants are entitled to a hearing pursuant to BHA's Tenant Grievance Procedures.

1.3 Domestic Violence

It is the policy of BHA to assist victims of Domestic Violence, Dating Violence, Stalking, or Sexual Assault who are otherwise eligible for the BHA Housing Programs, to access and retain safe and affordable housing. The BHA follows the provisions listed below and those in the BHA Violence Against Women Act ("VAWA") Policy when considering the denial or termination of assistance of a victim of Domestic Violence, Dating Violence, Stalking, or Sexual Assault. See also BHA VAWA Policy.

(a) That an Applicant or Participant is or has been a victim of Domestic Violence, Dating Violence, Stalking, or Sexual Assault, is not an appropriate basis for denial of program assistance or for denial of admission, if the Applicant otherwise qualifies for assistance in accordance with this plan.

(b) An incident or incidents of actual or threatened Domestic Violence, Dating Violence, Stalking, or Sexual Assault will not be construed as a serious or repeated violation of the Lease by the victim or threatened victim of that violence and shall not be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence.

(c) Criminal Activity directly relating to Domestic Violence, Dating Violence, Stalking, or Sexual Assault, engaged in by a member of a tenant's household or any guest or another person under the household member's control shall not be cause for termination of assistance, tenancy or occupancy rights if the tenant or an immediate member of the tenant's Family is the victim, or threatened victim of that Domestic Violence, Dating Violence, Stalking, or Sexual Assault.

(i) Notwithstanding clause (c), the BHA may bifurcate a Lease under this section, in order to evict, remove or terminate assistance to any individual who is a tenant or a lawful occupant and who engages in criminal acts of physical violence against family members

or others, without evicting, removing, terminating the assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant.

(ii) Nothing in clause (c) may be construed to limit the authority of the BHA, when notified, to honor court orders addressing rights of access to or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the Household members.

(iii) Nothing in clause (c) limits any otherwise available authority of the BHA to evict for any violation of a Lease not premised on the act or acts of violence in question against the tenant or a member of the tenant's household, provided the BHA does not subject an individual who is or has been a victim of Domestic Violence, Dating Violence, Stalking, or Sexual Assault to a more demanding standard than other tenants in determining whether to evict or terminate.

(iv) Nothing in clause (c) may be construed to limit the authority of the BHA to evict any tenant or lawful occupant if the BHA can demonstrate an actual or imminent threat to other tenants or those employed at providing service to the property if that tenant is not evicted or the program assistance is terminated.

(d) Verification of Status as a Victim of Domestic Violence. When a Family member seeks to avoid an adverse decision by the BHA on the grounds of being the victim of Domestic Violence, Dating Violence Stalking, or Sexual Assault, the BHA will require verification of the claimed incident or incidents. The BHA will request this verification in writing . Verification must be provided within 14 business days (i.e., 14 calendar days, excluding Saturdays, Sundays, and federally recognized holidays) after receipt of the request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action. The 14-day period may be extended for good cause.

The following documentation will be accepted for purposes of such verification:

(i) A HUD-approved form;

(ii) Documentation signed and attested under penalty of perjury by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the Domestic Violence, Dating Violence Stalking, or Sexual Assault, or the effects of the abuse, described in such documentation; or

(iii) A Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.

(iv) Other forms of verification as deemed acceptable by the BHA.

1.4 Accessibility and Plain Language

1.4.1 Accessible Facilities and Programs

Facilities and programs used by Applicants and residents shall be made accessible. Application and management offices, hearing rooms, community centers, laundry facilities, craft and game rooms and other public spaces will be available for use by residents with disabilities. If these facilities are not already accessible (and located on *accessible routes*), they will be made accessible so long as this does not impose an undue financial and administrative burden on the Authority.

1.4.2 Plain Language Paperwork

Documents intended for use by Applicants and residents will be presented in accessible formats for those with vision or hearing impairments and they will be written simply and clearly to enable Applicants and residents with learning or cognitive disabilities to understand as much as possible. Requests for accommodation with respect to documents used by the BHA should be made to the Authority's TDD phone number, TTY phone number, Civil Rights Department, Admissions Department, or the Housing Service Center.

1.4.3 Forms of Communication other than Plain Language Paperwork

At the point of initial contact, BHA staff shall ask all Applicants whether they need some form of communication other than plain language paperwork. Some alternatives might include: sign language interpretation, having materials explained orally by staff, either in person or by phone or video, large type materials, information on tape, and having someone (friend, relative or advocate) accompany the Applicant to receive, interpret and explain housing materials. The BHA will pay for sign language interpreters for the hearing impaired.

1.4.4 English Language Ability

Some Applicants will not be able to read (or to read English), so staff must be prepared to read and explain documents that they would normally hand to an Applicant to be read or filled out. Applicants who read or understand little English may need to be provided with an interpreter who can explain what is occurring. The BHA will make an effort to have its written materials translated into those languages frequently spoken by Applicants and to provide oral interpretation, upon request, in accordance with its Limited English Proficiency Policy (LEP).

1.5 Income Mixing and Deconcentration (Federal Only)

In accordance with the Congressional mandate in the Quality Housing and Work Responsibility Act of 1998, the Boston Housing Authority has adopted the federally required policies to provide for deconcentration of poverty and to encourage income mixing in all federal Family (general occupancy) developments. BHA offers the plan below to facilitate both deconcentration and income mixing in BHA developments. The

goals of the plan are to provide a sufficient mixture of extremely low-income, very-low, and low-income Households at all BHA developments, and to avoid circumstances wherein higher-income or lower-income developments are created with respect to the Authority-wide average income.

1.5.1 Definitions

For the purposes of this Admissions and Continued Occupancy Policy (ACOP), Lower-Income Households are defined as Households whose annual income does not exceed eighty (80) percent of the Boston area median income (AMI), with adjustments for smaller and larger Households, as determined by the Secretary of Housing and Urban Development. In accordance with 24 CFR 5.603, HUD may establish income ceilings higher or lower than 80% of the median income for the area on the basis of HUD's findings that such variations are necessary because of unusually high or low household incomes. However, with regard to state developments, state income rules of eligibility as defined in 760 CMR 5.00 or any successor regulations will apply. Within this category of Lower-Income Households, the following definitions apply:

(a) Low-Income Household

A Low-Income Household is defined as a Household whose annual income exceeds fifty (50) percent but does not exceed eighty (80) percent of the Boston AMI, with adjustments for smaller and larger Households, as determined by the Secretary of Housing and Urban Development or Massachusetts Department of Housing and Community Development.

(b) Very Low-Income Household

A Very Low-Income Household is defined as a Household whose annual income exceeds thirty (30) percent of the Boston AMI but does not exceed fifty (50) percent of the AMI for the area with adjustments for smaller and larger Households, as determined by the Secretary of Housing and Urban Development or Massachusetts Department of Housing and Community Development.

(c) Extremely Low-Income Household

An Extremely Low-Income Household is defined as a Household whose annual income does not exceed the higher of the federal poverty level or thirty (30) percent of the AMI for the Boston area, with adjustments for smaller and larger Households, as determined by the Secretary of Housing and Urban Development or Massachusetts Department of Housing and Community Development.

1.5.2 Income-Mixing

(a) Income Mixing Goals (Federal Programs Only)

It is the goal of BHA to attain, within a reasonable period of time, a resident population in each development composed of Lower-Income Households with a broad range of incomes.

To achieve and maintain a population with a broad range of incomes, BHA will review its waiting list to determine whether there is a representative income mix of Low, Very-Low, and Extremely-Low Income Households. If there is not a representative income mix, BHA will consider strategies to encourage a greater income mix including, but not limited to, conducting targeted outreach efforts and/or establishing income Preferences.

(b) Targeting Requirements

Regardless of any discretionary strategies the BHA may adopt to achieve the goal of income mixing, the BHA will ensure that it meets the following targeting requirements as set forth by federal regulation:

(i) In federal developments only, at least 40% of new admissions to the BHA's public housing program during each fiscal year will be Extremely-Low Income Households.

(ii) BHA may reduce the required percentage of public housing apartments to which Extremely-Low Income Households must be admitted to the extent that the BHA has credits, in the same fiscal year, for admissions of Extremely-Low Income Households to its Section 8 tenant-based assistance program beyond the number required for that program. However, the BHA may not have more credits than the lesser of the following:

- Ten percent of the total number of Households admitted to the Section 8 tenant-based assistance program during the fiscal year,
- The number of the BHA's public housing apartments in developments located in census tracts with a poverty rate of 30 percent or more that are made available and filled by eligible Households who are not Extremely-Low income Households.

(iii) During any fiscal year and regardless of the number of credits from Section 8 tenant-based assistance admissions, at least 30 percent of BHA admissions to public housing apartments will be Extremely-Low income Households.

1.5.3 Deconcentration

The admissions policies contained in this ACOP are designed to deconcentrate poverty. This objective will be achieved by bringing higher-income Households into lower-income developments and/or lower-income Households into higher-income developments. While information regarding specifics of each development is contained each year in the BHA's Annual Plan, which is submitted to HUD and DHCD, below is an outline of BHA's deconcentration policy.

The BHA will accomplish the deconcentration goal in a uniform and non-discriminatory manner. While targeting certain levels of income for admission to BHA public housing,

BHA will not intentionally concentrate lower-income Households, as defined below, in one public housing development or building within a development.

(a) *Deconcentration – Identification Procedures*

Annually, the BHA will calculate the average income at all BHA Family developments (“the Authority-wide average income”). The Authority will also calculate the average income of all Households at each Development separately (“the Development average income”). Developments in which the Development average income is above 115% of the Authority-wide average income will be considered “higher-income” developments. Likewise, Developments in which the Development average income is below 85% of the Authority-wide average income will be considered “lower-income” Developments.

(b) *Definitions*

(i) The Authority-wide average income: The average income of all Households residing in BHA Family developments. Such an average is used as a base measure from which Developments are either determined to be “higher-income” or “lower-income” for purposes of the BHA’s deconcentration policy.

(ii) The Development average income: The average income of all Households residing in a single BHA Family Housing development.

(iii) Higher-income Development: A development in which the Development average income is above 115% of the Authority-wide average income.

(iv) Lower-income Development: A development in which the Development average income is below 85% of the Authority-wide average income.

(c) *Remedial Action*

Based upon the above-mentioned analysis, the BHA will review the need to offer incentives to eligible families that would help accomplish the deconcentration objectives at individual developments. Should the average income at a development(s) vary more than 15% from the Authority-wide average, the BHA may utilize some or all of the policies and/or incentives listed below:

(i) Establish an income Preference in order to reach Applicant Households with lower or higher incomes as appropriate.

(ii) Initiate affirmative marketing strategies to all eligible income groups.

(iii) Provide additional applicant consultation and information.

(iv) Provide additional supportive services and amenities.

(v) Provide rent incentives authorized by Quality Housing and Work Responsibility Act of 1998 (“QHWRA”)

(vi) Targeting investment and capital improvements towards a development(s) below 85% of the Authority-wide average income.

1.5.4 Monitoring

As part of the BHA’s Annual Plan submission to HUD and as part of an annual report to DHCD, the BHA will annually monitor the income levels of Households residing in BHA housing and on the waiting list to assess its progress in attaining the deconcentration and income mixing goals. The BHA will calculate and compare the average Household incomes at each development with the Authority-wide average, as described above. In addition, the income status of Applicants on the BHA’s waiting list will be analyzed to determine the percentage of Applicants with “Low,” “Very Low” and “Extremely Low” incomes.

The BHA will also ascertain its progress in meeting the income-targeting goal that requires in federal developments that 40% of new admissions must be Extremely-Low Income Households. If the monitored data indicates any problems, BHA will alter its marketing and deconcentration strategies in accordance with this policy and federal and State requirements.

1.6 Civil Rights Protection Plan

It is the policy and obligation of the Boston Housing Authority to administer all aspects of its housing programs without regard to race, color, age, sex, sexual orientation, gender identity, national origin, ethnicity, religion, familial or marital status or handicap/disability. The BHA’s **Civil Rights Protection Plan** (“CRPP”) approved by the U.S. Department of Justice on July 26, 1999, is designed to protect Applicants, residents and their visitors from threats, harassment, violence or abuse while they are on BHA property. (Please refer to the BHA’s CRPP for specific policies and procedures).

CHAPTER 2: MARKETING AND OUTREACH

2.1 Marketing Policy

It is the policy of the BHA to conduct marketing and outreach as needed to maintain an adequate application pool representative of the eligible population in the area. In marketing its developments, it is the policy of the BHA to comply fully with existing Federal and State laws protecting the individual rights of applicants, residents, or staff and any laws subsequently enacted.

2.1.1 Marketing Purposes

Marketing has two primary purposes:

(a) to make all potential applicants aware of the housing and related services that BHA offers its residents; and

(b) to attract specific groups of applicants, such as, those with Low- and Very low-income levels, as defined in Chapter 1, section 1.4.1 “Definitions,” of this policy, Disabled Persons who require units with accessible features, or those determined by an annual analysis of site-based waiting lists to be the least likely to apply for the housing market area.

2.2 Marketing Requirements

The following requirements apply to BHA marketing efforts:

2.2.1 Fair Housing

Materials must comply with the Fair Housing Act and any other federal, state and local, fair housing rules or requirements.

2.2.2 Accurate Descriptions

Materials shall accurately describe each development, its apartments by size and type, its application process, waiting list, estimated wait time, amenities and Priority and Preference structure and shall include the availability of apartments with accessible features, and any designation that applies to the property.

2.2.3 Plain Language

Marketing materials shall be in “plain language”. The BHA shall make an effort to use print media, videos and multi-media in a variety of languages.

2.2.4 Eligibility

Marketing materials shall make clear to individuals and Households, who is eligible for housing including people with physical and/or mental disabilities.

2.2.5 Reasonable Accommodations and Structural Modifications

BHA's marketing materials will include notice of the Authority's responsibility to provide reasonable accommodations and structural modifications for people with disabilities if reasonably required on account of disability.

2.3 Marketing and Outreach Strategies

2.3.1 When BHA Will Market Apartments

The BHA will undertake marketing efforts whenever there is a need to do so in order to address: changes required as a result of legislative or regulatory requirements; fair housing needs; apartment vacancy or turnover considerations; deconcentration and income mixing needs with respect to federal developments; an insufficient pool of Applicants on the waiting list; or any other factor which may require marketing efforts to further public housing program goals. The BHA shall assess these factors at least annually as part of its Agency Plan in order to determine the need and scope of the marketing effort.

The BHA shall widely circulate the marketing of apartments through print, and online media sources, as well as direct contact of local social service providers. Contacts shall be regularly updated and to ensure appropriate outreach.

State Public Housing 760 CMR 5.04 - Marketing

Each LHA has a continuing responsibility to ensure that households in its region of the state are aware of any availability of units and have an opportunity to apply. The LHA shall undertake a marketing effort whenever its waiting list for units is less than the number of applicants anticipated to be placed in the next 12 months.

The LHA shall undertake appropriate affirmative fair marketing efforts pursuant to 760 CMR 4.07: LHA Fair Housing Marketing Plan whenever the number of its minority tenant households and minority households on the waiting list for either family housing or elderly/handicapped housing is less than the number of households meeting its Affirmative Action Goal established pursuant to 760 CMR 5.10(3) for the respective program.

CHAPTER 3: APPLICATION SUBMISSION

3.1 Application

Applicants may apply for BHA subsidized housing by applying online or by submitting a paper application form. Further instructions are detailed at www.bostonhousing.org.

State Public Housing 760 CMR 5.05(1)-(2) – Application Procedures

Every applicant shall use the online Common Housing Application for Massachusetts Programs (CHAMP) or other application forms approved by the Department. The application forms shall be available at all BHAs' central offices or, upon request, by mail. The BHA shall provide reasonable assistance to applicants in completing the application forms. When an applicant submits a paper application form at any LHA, the BHA shall accept the application and promptly enter the information thereon into the Statewide Online Application System.

Every application entered into the Statewide Online Application System shall receive a date and timestamp for each program at each LHA to which the application is made. Applicants may return to their online applications to view their application status and to make changes at any time. Applicants may also make changes at any LHA in person or by mail.

The BHA Waiting Lists are organized by development in the Statewide Online Application System.

3.2 Development Choice

The BHA maintains separate waiting lists for each of its public housing developments. Applicants may choose to apply for any or all of the developments for which they meet the minimum threshold requirements.

State Public Housing 760 CMR 5.12(1)

Any grant or denial of a Preference, or determination of ineligibility or disqualification, that is made by an LHA shall only affect the application on that LHA's waiting list for the program for which the Applicant is being considered at that LHA. For example, if an Applicant is denied from a State Public Housing Family program development, the Applicant shall be withdrawn from all Family program development waiting lists.

3.2.1 Monitoring

As part of the Annual Plan submission to HUD and as part of a semi-annual report to DHCD, the BHA will monitor the racial, ethnic, and disability-related composition of Households residing at each BHA development and on each development waiting list. The purpose of this monitoring will be to assess changes in racial, ethnic, or disability-related Household composition at each BHA development that may have occurred during the implementation of the site-based waiting list.

In addition, at least every three years the BHA shall contract with an independent agency specializing in fair housing, to employ independent testers or other means satisfactory to HUD and DHCD, to assure that its site-based waiting lists are not being implemented in a discriminatory manner, and that no patterns or practices of discrimination exist. The BHA shall provide the results of this review to HUD and DHCD and shall take steps to remedy any problems found during the review including steps necessary to affirmatively further fair housing.

3.2.2 Remedial Action

Based upon the above-mentioned monitoring, the BHA will review the need to take steps to remedy any problems that surfaced during the review. These steps may include some or all of the following:

- (a) Initiate affirmative marketing strategies
- (b) Provide additional applicant consultation and information
- (c) Provide additional supportive services and amenities
- (d) Target investment and capital improvements towards a development
- (e) Modify marketing efforts in response to assessment of occupancy patterns and the composition of the waiting lists.

3.3 Processing Applications for Admission

3.3.1 Processing

It is the BHA's policy to accept and process applications in accordance with applicable BHA, Federal and State regulations and handbooks.

Applicants must supply complete and necessary information for an application to be processed. BHA will notify Applicants of incomplete Applications and make an effort to assist in completion of the application.

All applications shall receive a date/ timestamp and confirmation. Applicants shall be informed of their responsibility to notify the BHA of any change of address or Household composition and to respond to application update requests sent to them.

3.3.2 Communication Regarding Applications

(a) *BHA to Applicants*

All communications with Applicants will be by first class mail as a default, but by other means in addition, where accepted by the Applicant, including but not limited to communication through an applicant web portal or email. Failure to respond to BHA communications may result in withdrawal of an Applicant from all waiting lists.

Email or other electronic communications shall also be used as a method of communication to supplement any communication conducted by mail.

(b) *Applicants to BHA*

It is the responsibility of each Applicant to inform the BHA in writing of any change in address, telephone number, Household composition, change in Priority, Preference, Good Cause, or other information, which may affect the status of the application while on the waiting lists. For an Applicant with no fixed address, such as homeless Households, the address of a social service agency may be used for BHA contacts; however, if the Applicant finds permanent housing, the address must be reported to the BHA immediately.

(c) *Confidentiality of File Information*

BHA maintains all applicant, resident, and participant information in accordance with federal and state privacy laws.

3.3.3 Waiting List Updates

For non-state programs, the BHA shall conduct waiting list updates from time to time as necessary. The purpose of a waiting list update is to determine the applicant has continued interest. Applicants will have twenty (20) calendar days from date of a waiting list update notice to respond and express continued interest and provide any other updates to their current housing status. Failure to respond to a waiting list update notice shall result in the application being denied.

State Public Housing 760 CMR 5.14 – Update and Reclassification of Waiting List

(1) Applicants who have not contacted an LHA or logged into the Statewide Online Application System for two years shall be contacted by the Department Systems Administrator by email, and if there is no response, by first class mail.

- (a) to determine whether:
1. applicant is still interested in obtaining state-aided public housing;
 2. the applicant's appropriate unit size or accessibility needs have changed;
 3. the applicant's claimed priority and preference status remain the same; and
- (b) to advise the applicant that a failure to respond within 30 days will cause the application to be made inactive in the Statewide Online Application System resulting in the application not being processed by any LHA. Any applicant whose application is made inactive shall be notified of the same and will be restored to the waiting list(s) if the applicant contacts an LHA or logs into the Statewide Online Application System within one year after the notice. If the applicant fails to log into the Statewide Online Application System or contact an LHA within one year after the notice, then the applicant shall be given notice of removal of the application from all waiting lists and the right to request review pursuant to 760 CMR 5.13 above by any LHA to which the applicant applied.
- (2) In its contact inquiry, the Department Systems Administrator will instruct applicants to update their applications in the Statewide Online Application System or to return the update form to an LHA. An LHA that receives a paper update from an applicant shall review all updated information and promptly log in on behalf of the applicant and enter any changes made by the applicant into the Statewide Online Application System.

All Applicants subject to a waiting list update receive notice explaining the BHA's responsibilities for providing reasonable accommodations and recites examples of what a reasonable accommodation might entail.

CHAPTER 4: ESTABLISHING AND MAINTAINING WAITING LISTS

4.1 Waiting List Management for State Public Housing

4.1.1 Organization of the Waiting Lists

The BHA shall maintain separate waiting lists for each of its state public housing developments through the Statewide Online Application System, also known as CHAMP. The lists will be managed and eligibility will be determined in accordance with the state regulations at 760 CMR 5.00, notwithstanding any waivers requested by BHA and granted by DHCD.

Generally, when an applicant approaches the top of a waiting list, the BHA shall make a final determination of the applicant's priority, preference, eligibility and qualification. The applicant shall update the application and provide any additional information or verification required.

BHA manages the waiting lists transfers and supported housing programs outside of CHAMP, waiving certain provisions of 760 CMR 5.00 Supported Housing Program Applicants will be offered state public housing units from time to time in accordance with agreements with service providers and Chapters 7 and 10. Transfer Applicants shall receive offers to state public housing in accordance with Chapters 6 and 7.

All other Applicants shall be managed in accordance with 760 CMR 5.00.

4.1.2 Denial or Removal of an Application

If the BHA determines that an applicant is ineligible for a claimed priority or preference or is ineligible for housing, it shall send written notification to the applicant in accordance with Section 4.3.

State Public Housing 760 CMR 5.05 (3) - Determinations of Priority, Preference, Eligibility and Qualification.

(a) When an applicant approaches the top of a waiting list for a BHA program to which the applicant has applied, the LHA shall make a final determination of the applicant's priority, preference, eligibility and qualification. The applicant shall update the application and provide any additional information or verification reasonably required by the BHA.

(b) If the LHA determines that an applicant is not eligible for a claimed priority or preference or is ineligible or unqualified for housing, it shall send written notification to the applicant of:

1. the determination;
2. the reason(s) for the determination detailing the material facts; and

3. the right to request a private conference to redetermine the applicant's priority, preference, eligibility and/or qualification pursuant to 760 CMR 5.13.

After a final determination of priority, preference, eligibility and/or qualification has been made by the LHA, that determination will govern the application only for the application to that program at that LHA in the Statewide Online Application System. If an applicant who has been removed from the waiting list reapplies for any program at that LHA, the reapplication will receive a new date and time stamp, and new final determinations shall be made on the application when the application reaches the top of the waiting list.

4.2 Waiting List Management for Federal Public Housing

4.2.1 Organization of the Waiting Lists

The BHA maintains a waiting list for each of its federally assisted public housing developments/AMPs. Each waiting list is maintained by apartment size, Applicants' Priority and/or Preference points and the date such points are granted and then chronologically according to application date.

Assignments to each waiting list shall be in order based upon suitable type and size of apartment, date Priority and/or Preference points are granted as established in these policies, and the date and time the application is received. Generally, an Eligible Applicant with the highest Priority and/or Preference points and the earliest date of approval of such Priority and/or Preference points per category of apartment size will be placed at the top of each waiting list. If no Application with approved Priority and/or Preference points exists, an Eligible Applicant with the earliest date and time of application will be placed at the top of each waiting list. This explanation does not pertain to State assisted public housing, which is detailed below and in 760 CMR 5.09 (1)

Priority and Preference points are added together to determine position on each selected development / AMP waiting list. The more points an Applicant has and the earlier the date such points are granted, the higher on the list the Applicant will be in relation to other persons who applied for the same bedroom size and hold the same date of preliminary application

In the event the BHA merges two or more waiting lists as a result of two or more developments being designated as one AMP, the BHA shall, after giving notice to the affected applicants, rank each applicant on the single waiting list by providing each client with their respective oldest application date **and** approved Priority and/or Preference sequence dates.

4.2.2 Opening and Closing Waiting Lists (Federal Programs Only)

(a) *Opening the Waiting List (Federal Programs Only)*

The BHA will give at least two weeks advance public notice that a Family may apply for housing assistance before opening any waiting list. The notice must state where and when a Family should apply. The notice shall also state any limitations on the criteria for the type of Family that may apply. The notice shall be posted on BHA's website, circulated in a local newspaper of general circulation, by minority media, and any other means that the BHA finds suitable. The notice shall also state the time limitation of the application period. Once a waiting list is open, the BHA must accept applications from a Family for whom the waiting list is open. Any opening of the waiting list will be publicized in accordance with the Marketing and Outreach requirements of this ACOP.

If the waiting list is open for special programs, it will only be open for the purpose of accepting applications for the special programs.

(b) Closing a Waiting List (Federal Programs Only)

The BHA may close a waiting list anytime that the BHA determines that the Applicant pool is large enough to fill the estimated amount of available units for the next twelve (12) months. The BHA may close an entire waiting list or close only a portion, keeping part of the waiting list open to a certain Priority, or for any special programs.

During the period when the waiting list is closed, the BHA will not maintain a list of individuals who wish to be notified when the waiting list is reopened.

BHA will notify HUD and DHCD prior to closing and re-opening of any waiting list as required by regulation or guidance.

4.2.3 Removal of an Application from a Waiting List (Federal Programs Only)

Applicants whose applications are removed from any waiting list are entitled to an informal hearing where they may appeal this decision. A Request for an appeal must be made **in writing** and must be received by the BHA within 20 calendar days of the date of the notice removing them from the waiting list. BHA shall consider

Circumstances that will lead to removal of an Applicant from any or all waiting lists include:

(a) Voluntary Withdrawal

The Applicant requests **in writing** that his/her name be removed.

(b) Failure to Respond

The Applicant is non-responsive to a BHA request to determine continued interest or to schedule an interview. BHA shall communicate with the applicant using the most updated electronic email or physical mailing address information provided by the Applicant.

(c) Failure to Maintain a Scheduled Appointment

The Applicant fails to keep an appointment and fails to notify the BHA, within ten (10) days after the date of the appointment, of his/her inability to keep an appointment.

(d) Failure to Supply Information

The Applicant fails to supply requested documentation to the BHA in accordance with admissions or eligibility requirements.

(e) Denial of Assistance

The Applicant is denied assistance due to being ineligible for housing programs.

If the Applicant is denied assistance due to intentional misrepresentation, it may result in federal or state criminal prosecution for fraud, and removal from the waiting list, and disqualification from further consideration for admission or transfer for a three (3) year period beginning on the date of such determination by the BHA.

(f) Reject an Offer of Housing

The BHA will remove an Applicant from all federal Public Housing Waiting lists if they reject an offer of Federal Public Housing without good cause.

Furthermore, the Applicant will only be eligible to re-apply after two (2) years year from the date of the most recent unit rejection.

(g) Withdrawal Upon Becoming Housed

When an Applicant becomes housed, the BHA will withdraw the Applicant from all BHA waiting lists for which the Applicant no longer qualifies for as a result of becoming housed.

(h) Ineligible for Priority

The Applicant has no eligibility for any Priority category for which the waiting list is open.

4.3 Applicant Appeals – Informal Hearings

State Public Housing 760 CMR 5.13 - Review of Denial of Eligibility, Qualification, Priority or Preference Status

This section, 4.3 generally is the procedure required for state and federal applicants. The requirements in this section meet those set forth in 760 CMR 5.13

- (a) The reason(s) for Ineligibility, withdrawal or denial of Priority status or Preference(s) or denial of Reasonable Accommodation or Good Cause;
- (b) The right to contest the decision in an informal hearing provided a request for a hearing is received within 20 calendar days of the date the Notice of Adverse Action is issued. Such request must be in writing and must state clearly the basis for requesting the informal hearing and be sent to the address provided on the notice.
- (c) The right to contest Applicant Background Check and Eviction Report information and/or CORI information in accordance with Federal and/or State law if that is the basis for determination of Ineligibility.
- (d) Language explaining mitigating circumstances for situations including, but not limited to Domestic Violence or the disability of a household member.
- (e) Provides a description of BHA's informal hearing process and advises Applicants that they have the right to be represented by an attorney or other individual at the informal hearing, review the contents of their file in advance of the hearing, the right to submit additional documents and evidence and to testify at the hearing, the right to request reconsideration.
- (f) The right of an Applicant to a state aided program to request a review of the decision by the Massachusetts Department of Housing and Community Development within twenty-one (21) calendar days of the initial decision or after a decision on reconsideration.

4.3.2 Scheduling the Informal Hearing

(a) When a Hearing is Scheduled

Upon receipt of the Applicant's written request a hearing shall be scheduled within a 30-day period following the receipt of the Applicant's request for an informal hearing unless

the applicant requests it to be postponed as a “reasonable accommodation” or for “good cause” see 760 CMR 5.13(1)(d).

Late requests will be considered by the Administrator of Grievances and Appeals or his/her designee for thirty (30) days beyond the initial appeal period

(b) Scheduling Notice Requirements

(d) Failure to Attend the Informal Review

The Hearing Officer will uphold the BHA decision by default if the Applicant does not attend the informal review and did not attempt to reschedule at least twenty-four (24) hours prior to the scheduled date and time.

(e) Compelling Circumstances Related to Missed Hearings or Late Requests

The BHA will reschedule an informal review when an Applicant submits evidence of compelling circumstances that prevented the Applicant attending the hearing on the scheduled date or making a timely request. Requests submitted after the hearing date must be submitted within 30 days of the hearing date or deadline to request a hearing and must be supported by evidence of compelling circumstances that prevented the applicant from attending, rescheduling, or requesting a hearing in a timely manner.

When analyzing whether or not an Applicant’s reasons for requesting a late hearing are compelling, the hearing officer will consider:

- (i) the written facts or circumstances submitted by the Applicant which show that the Applicant is not willful (a willful act is a deliberate, intentional or voluntary act) or culpable (culpable is to be responsible or liable) in making the late request, which would require more than mere action or inaction (for example the Applicant’s reason for not

requesting a hearing timely should not due be to something the Applicant did or failed to do);

(ii) the swiftness with which the Applicant has attempted to remedy the default;

(iii) the existence of any meritorious defense to the underlying allegations; as well as, other equitable criteria such as: (a) whether the default resulted from a good faith mistake in following a rule or procedure; (b) the nature of the Applicant's explanation for not requesting a timely hearing; (c) the availability of other alternative sanctions; (d) whether not granting a late hearing would produce a harsh or unfair result.

(b) If the Applicant requests, the BHA employee who made the decision must be present to provide available facts, and to be questioned, if still a BHA employee.

(c) An employee of the Authority who did not participate in the original decision must conduct the hearing.

(d) The decision must be based solely on evidence presented at the hearing as well as any evidence previously received by the BHA. All evidence submitted at the hearing shall be considered de novo, and the matter shall not be sent back to the Admissions Department for reconsideration due to submission of new evidence.

(e) The Applicant and/or his/her representative has a right to inspect the file prior to the hearing, provided the Applicant provides BHA with written authorizations permitting the representative to have access to the contents of the Applicant's file including CORI information.

(f) Either the Applicant or the BHA may request after close of the hearing that the record remain open for submission of new or rebuttal evidence. The Hearing Officer shall designate a date by which the record shall be closed and may extend it for good cause. The Applicant shall receive notice in writing of the date on which the record will close and of any extension. If BHA wishes to consider additional evidence not submitted at the hearing or submitted after the hearing, it shall give written notice to the Applicant with an opportunity to review such evidence and a reasonable period for the Applicant to respond.

4.3.4 Informal Hearing Decisions

(a) Hearing Decision Notice Requirements

After the informal hearing, all Applicants will be sent an “**Informal Hearing Decision**” from the BHA hearing officer. This notice shall:

- (vi) All informal hearing decisions shall be made within 15 working days of the close of the hearing or the record, whichever is later.

(b) Decision to Reverse BHA's Determination

If, as a result of information presented by the Applicant at the informal hearing, the BHA reverses its decision to deny or withdraw the Applicant, no new application is required and the application will be returned to its appropriate place on the waiting list(s) for all developments/AMPs previously selected by the Applicant using the original date and time of application and applicable Priority and/or Preference(s).

If the decision to deny Priority status and/or Preference(s), Good Cause or Reasonable Accommodation is reversed, the Applicant’s position on the waiting list(s) for all developments/AMPs previously selected by the Applicant will be restored in accordance with the determination.

(c) Decision to Uphold BHA's Determination

If an appeal decision upholds the determination of Ineligibility, the Applicant may submit a new application for admission at a time when a waiting list is open but no earlier than 18 months after the decision of Ineligibility.

State program applicants may re-apply at any time.

Applicants who are found ineligible for any of the following reasons may re-apply at any time **if** they meet the preliminary eligibility requirements when they submit a new application and they shall be given a new application date effective the date the application is received by the BHA’s Admissions Department: 1) the Applicant’s total household income was over the income limits; 2) the Applicant had failed to pay an outstanding balance owed to the BHA or other Federal or State housing assistance program; 3) the entire household had no eligible immigration status; 4) the pro-rated rent

amount was more than 50% of the total household income; and/or 5) the applicant was not elderly or disabled and, therefore, did not qualify for the elderly/disabled housing program.

Applicants who are withdrawn may submit a new Application at any time provided a waiting list is open.

Applicants denied Priority Status, Preference(s), Good Cause or Reasonable Accommodation may re-apply for the same or a different Priority or Preference at any time provided a waiting list is open except as provided for in this policy.

4.4 Priorities and Preferences for Federal Programs

An Applicant for new admission or Transfer may qualify for a Priority and/or Preference that establishes their position on the waiting list and the order to which they are screened for program eligibility.

Preference points are cumulative and are added to Priority points (if any) to determine an Applicant's position on each BHA waiting list.

4.4.1 Definitions

(a) Priority

Priority is defined as a housing-related situation that affects a Household's present residential status. The BHA gives points to Applicants with a Priority that ranks those Applicants higher on each waiting list than Applicants without Priority. An Applicant can qualify for only one Priority at any given time. Certain priorities are given more points than others are. An Applicant will always be assigned to the highest Priority for which they qualify.

(b) Preference

Preference refers to points given to BHA Applicants who are veterans, Boston Residents, employed in Boston, offered employment in Boston, a Disabled Person (Family Developments/AMPs only) or Elderly Households who apply for certain developments in accordance with State regulations and the BHA's Designated Housing Program. An Applicant may qualify for more than one Preference at a time.

4.4.2 Points for Priorities and Preferences

(a) The BHA assigns Priority points to each Applicant for New Admission and Transfer on all Waiting Lists.

4.5.8 Housing Situation for State Programs

State Public Housing 760 CMR 5.11 – Housing Situation

The Housing Situation Priority Policy issued by the Department sets out the criteria to be used by BHA to determine the Priority to be granted to the applications of Homeless Applicants. The Priority of an application on the LHA waiting list shall be initially set by the Statewide Online Application System (CHAMP) based on the unverified Housing Situation that is claimed by the applicant on the application form.

When an application nears the top of BHA's waiting list, the BHA shall require the applicant to provide verification of the Housing Situation that was claimed on the application. If the applicant fails to submit all documentation necessary to verify the Housing Situation that was claimed on the application within ten business days of the BHA's request for verification, then the application will be granted Priority 7 Standard. If at any subsequent time the applicant submits verification of the previously claimed Housing Situation, the BHA will grant the verified Priority as of the date and time of the applicant's initial claim.

If an applicant submits documentation that fails to verify any criteria of the claimed Housing Situation Priority, then the BHA shall deny the Priority and inform the applicant of the right to appeal the determination pursuant to 760 CMR 5.13. An applicant may claim or delete an existing claim of Housing Situation Priority at any time. Any grant of a claimed Priority by a BHA shall be made only after verification of the circumstances that meet the criteria for the Priority as set out in the Housing Situation Priority Policy. If an LHA determines that the criteria for Preference, eligibility or qualification is not met, then the LHA shall deny the applicant's Preference, eligibility or qualification and inform the applicant of the right to appeal the determination pursuant to 760 CMR 5.13. Any grant or denial of a Preference, or determination of ineligibility or disqualification, that is made by an LHA shall only affect the application on that LHA's waiting list for the program for which the applicant is being considered at that LHA.

(2) Income of applicants shall be verified by the procedure specified for rent determination. If the LHA has verified any information when making a preliminary determination of eligibility for the applicant, and that information is more than 90 days old, the LHA shall reverify such information on its final determination of eligibility and qualification. Non-receipt of a reference from a landlord (or housing provider) shall be cause for determining an applicant unqualified, unless the applicant can show that he or she has used best efforts to secure the reference and that he or she has complied with reasonable requests for cooperation in securing other information.

(4) In determining qualification the LHA shall check Criminal Offender Record Information and Sex Offender Registration Information and make reasonable efforts to check available records of out-of-state criminal convictions. The LHA may also make a home visit, which shall be scheduled reasonably in advance. Observations by the person making such a visit shall be promptly reduced to writing and placed in the applicant's file.

(5) Information regarding eligibility or qualification may be obtained by the LHA from interviews with the applicant and with others, from telephone conversations, letters, or other documents, and from other oral or written materials. (c) Written Third Party Verification Responding to BHA Request

The BHA will send the form directly to the third party source by mail, fax, or e-mail. This type of verification will be used if the resident is unable to provide acceptable documents that are generated by a third party.

(d) Oral Third Party Verification

Staff documented verification from a third party by telephone will be accepted where written verification is impractical, or the third party is unresponsive to BHA's written requests within ten (10) business days of mailing. Staff shall utilize the same form that would have been mailed to the third party. All the information required by the written verification form should be requested during the telephone contact. BHA staff will complete the form on the basis of such information. The contact person, date and time of conversation will be noted and the BHA staff person who made the telephone call will sign the form.

(b) Information not subject to change

BHA will verify this information (e.g. verification of age or place of birth) only once during the screening process.

5.2.5 BHA Right to Request Additional Verification

In the case that the documentation provided by the applicant is not complete or is otherwise doubtful, the BHA may require the Household Member to sign a release allowing the BHA to obtain the information directly from the third party.

The BHA has discretion to determine what constitutes adequate and credible documentation. If staff has doubts about the veracity or reliability of information received, they may examine alternative methods of verification with the Applicant or third parties until they are satisfied that the documentation is reliable or that reliable documentation is unattainable. Criminal record information shall be requested and maintained in accordance with guidance established by the Massachusetts Department of Housing and Community Development (DHCD) and 803 CMR 5.00 and any other applicable laws.

The Applicant Household is required to allow the BHA to review the criminal background history for all Applicant Household members who are 14 years of age or older. Criminal History may be reviewed for minors who are 14 or older if they were tried as an adult,

otherwise known as youthful offender information. The BHA will not review any juvenile offender information.

(b) Mandatory Denial

(i) Lifetime Sex Offender Registration Requirement. BHA shall use Sex Offender Registry Information (SORI) as permitted by law in the eligibility determination process. Persons convicted of sexual offenses and subject to a lifetime sexual offender registration requirement are permanently prohibited from admission to Federally assisted developments/AMPs and they are only eligible for admission to State aided developments upon establishing acceptable Mitigating Circumstances. The BHA will conduct criminal history background checks sufficient to determine whether any household member is subject to such a registration requirement.

(ii) Conviction for Manufacture of Methamphetamine. Persons that have been convicted of drug-related criminal activity for the manufacture or production of methamphetamine on the premises of Federally-assisted housing are permanently prohibited from admission to Federally assisted developments/AMPs and are only eligible for admission to State aided developments upon establishing acceptable Mitigating Circumstances.

(c) Look back period

The review of criminal history shall be limited to a period of three (3) years for criminal activities which would be punishable as a misdemeanor or equivalent level of culpability under local law and seven (7) years (except where the Housing Authority has an obligation to ban applicants whose criminal activity is subject to mandatory denial) for an activity which would be punishable as a felony or equivalent level of culpability under local law. The look back period shall run from the date of conviction or the release date, whichever is later. The Housing Authority may deny an applicant whose criminal record shows a pattern of violent criminal activity, or activity that is inherently violent, even though the activity has occurred outside of the time frame set out above.

Once a criminal record has been sealed pursuant to G.L. c. 276, §100A, it may no longer be evaluated for the purposes of screening.

(d) Use of Illegal Drugs

(i) Current Use

BHA will not admit a current user of illegal drugs. The Fair Housing Act explicitly states that current users of illegal drugs are not a protected class. BHA will not exclude former users of illegal drugs solely because of their former illegal drug use.

(ii) Past Use Does Not Excuse Associated Behavior

The fact that an Applicant or household member may have been an illegal drug user in the past does not automatically excuse any disqualifying behavior that the Applicant or household member may have engaged in while an illegal drug user.

(iii) Documentation that a former illegal drug user is not currently using illegal drugs could include:

- Verification from a Qualified Health Care Provider stating that the former illegal drug user has been or is currently in treatment, that there is a reasonable probability that the Applicant will be successful in refraining from use of illegal drugs, that the Applicant is complying with the requirements of the treatment program, and is not currently using an illegal drug;
- Verification from a self-help program (for example, Narcotics Anonymous) stating that the former illegal drug user has been or is participating in their program, that there is a reasonable probability that the Applicant will be successful in refraining from use of illegal drugs, and is not currently using an illegal drug;
- Verification from a probation or parole officer stating that the former illegal drug user has met or is meeting the terms of probation or parole **and** that periodic screens have not revealed the presence of illegal drugs;
- Voluntary drug testing. An Applicant or household member cannot be required to undergo drug testing as a condition of eligibility. However, if s/he chooses to be tested, testing shall meet the following requirements: the drug test must be conducted at facilities that use the National Institute of Drug Abuse Guidelines (implementing EO 12564 and Pub. L. 100-71; these guidelines were published April 11, 1988 in the Federal Register) The test must screen for illegal drugs only and the Applicant's use of prescription drugs that contain controlled substances must be taken into account; and the BHA will pay for all costs associated with drug testing unless the costs are otherwise reimbursed.
- If an Applicant or household member is currently in treatment for illegal drug use (as opposed to having successfully completed treatment) or if an Applicant or household member has a history of drug treatment followed by further illegal drug use, the Applicant or household member must demonstrate why current situation and claim of non-drug use is different from the previous unsuccessful efforts to stop using drugs and that the likelihood of a change greater than in the past.
- In such cases, an Applicant or household member should successfully complete the current treatment program and maintain acceptable behavior in the community for a reasonable period established by the BHA.

(e) Treatment for Substance Abuse

Information related to an Applicant's or a member of an Applicant's household treatment by a substance abuse treatment facility. The BHA requires any Applicant or member of Applicant's household to sign a consent form authorizing inquiry to a substance abuse treatment facility where the BHA :

- Receives CORI information that indicates evidence of a prior arrest or conviction for criminal activity which would be a basis for denial due to reasonably current illegal drug use, OR
- Receives information from records from a prior tenancy of the Applicant or household member that demonstrate he or she was:
- Engaged in the destruction of property;
- Engaged in violent activity against another person;
- Interfered with the right to peaceful enjoyment of the premises by another tenant.

(f) Alcohol Abuse and Screening

An Applicant or household member who is an alcoholic may qualify as a person with a disability under State and Federal anti-discrimination laws and be entitled to certain protections afforded to Disabled Persons. If the abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents, an applicant may be disqualified.

(g) Denial for Criminal Activity

The BHA shall not automatically deny an applicant based on the presence of criminal history.

The BHA review of criminal history only considers convictions and charges awaiting trial for drug related, violent, and other criminal activity that could affect the health and safety of others potentially living nearby.

The BHA shall not consider arrests, cases that were continued without a finding as a means of probation, or charges that did not get prosecuted. Convictions for crimes such as larceny and other non-violent, non-drug related criminal activity are generally not considered unless, the BHA determines that the activity might affect the health and safety of other in the area. For example, illegal possession of a firearm or ammunition is not dangerous in itself, but may be considered to affect the health and safety of others.

If the Criminal record information indicates that an Applicant and/or household member has a record that would establish a basis for an Ineligibility finding, the Applicant will be notified of the negative information received, provided with an opportunity to review the information and to offer any information as a Mitigating Circumstance before a final determination of Ineligibility is made by the BHA.

(h) Right to Dispute Accuracy of the Criminal Record

If the Applicant believes that the Criminal record information is inaccurate, he/she must submit to BHA a written notice to this effect. The notice must be provided to BHA within the time specified in BHA's notice to the Applicant. Upon receipt of the Applicant's written notice disputing the accuracy of Criminal record information, BHA will provide the Applicant a reasonable amount of time to provide credible evidence of the report's inaccuracy.

5.5.4 Evaluation of Screening Criteria

The BHA shall deny an Applicant if it finds any of the following conditions are present and there is reason to believe the future behavior of the Applicant or Applicant household members will exhibit the same behavior, unless there are acceptable Mitigating Circumstances.

The history of the Applicant household's conduct must demonstrate that the Applicant household can reasonably be expected not to:

- (a) Interfere with other residents in such a manner as to diminish their peaceful enjoyment of the premises or to adversely affect their health, safety, or welfare or the security of their property.
- (b) Violate the civil rights of any person, while on BHA property, in accordance with the BHA's Zero Tolerance policy.
- (c) Cause damage to the property or fail to pay rent in full and on time.
- (d) Violate the terms and conditions of the BHA lease.
- (e) Require services from BHA staff that would alter the fundamental nature of the BHA's program.
- (f) Illegally use, possess or distribute a controlled substance,
- (g) Give the BHA reasonable cause to believe that the illegal use (or pattern of illegal use) of a controlled substance, or abuse (or pattern of abuse) of alcohol may interfere with the health, safety or right to peaceful enjoyment of the premises by other residents.

5.5.5 Rehabilitation and Mitigating Circumstances

In the event of the receipt of unfavorable information with respect to an Applicant the BHA will notify the Applicant in writing, and the BHA shall permit the Applicant to show whether there are Mitigating Circumstances, which may include a showing of rehabilitation or rehabilitating efforts, sufficient so that when the potentially disqualifying conduct is weighed against the Mitigating Circumstances, the BHA is reasonably certain that the Applicant will not engage in any similar conduct in the future. In making this determination, the BHA shall consider all relevant circumstances, including the severity of

the potentially disqualifying conduct, the amount of time which has elapsed since the occurrence of such conduct, the degree of danger, if any, to the health, safety and security of others or to the security of the property of others or to the physical conditions of the housing development/AMP and its common areas if the conduct recurred, the disruption and inconvenience which recurrence would cause the BHA, and the likelihood that the Applicant's behavior in the future will be substantially improved. The greater the degree of danger, if any, to the health, safety and security of others or to the security of property of others or the physical condition of the housing, the greater must be the strength of the showing that a recurrence of behavior, which would have been disqualifying, will not occur in the future.

5.5.6 Outcome of Screening Process

(a) Ineligible

An ineligible Applicant will be promptly notified. The Applicant will receive a Notice of Ineligibility from the BHA, stating the basis for such determination and advising them of the opportunity for an informal review of the determination. The ineligible Applicant will also be informed that they have a right to request reconsideration if the reason for denial of assistance is related to a disability and a reasonable accommodation on account of that disability may make it possible for them to be housed in accordance with the Screening Procedures.

(b) Eligible

Households determined to be Eligible and Qualified after screening will be notified by the BHA of the approximate date of occupancy insofar as that date can be reasonably determined. The BHA will make reasonable effort to estimate accurately an approximate date of occupancy. However, the date given by the BHA is not a guarantee that Applicants will be housed by that date. The availability of a suitable apartment to offer a Household is contingent upon factors not directly controlled by the BHA, such as turnover rates, and availability of apartments of the appropriate size and/or with special features.

5.6 Personal Care Attendants (PCAs) / Live-in Aides

5.6.1 Definition

CHAPTER 6: ASSIGNMENTS AND OFFERS

6.1 Apartment Occupancy Guidelines

For state aided public housing, Appropriate Unit Size is defined at 760 CMR 5.03.

6.2 Offers

Offers to federally assisted housing are made in accordance with the Section below. Offers to state public housing are made in accordance with 760 CMR 5.00, except that eighth offer is made to a Special Circumstances transfer as defined in Chapter 7.

6.2.1 Allocation of Offers to Different Applicant Types

State Public Housing Offers

The BHA shall use the methodology outlined in 6.2.1 of this ACOP to offer units to applicants of state public housing. This is a waiver of provisions of 760 CMR 5.00.

(a) Counter System

The BHA uses a counter by waiting list, bedroom size, and apartment type, to allow every eighth apartment to be allocated to a special circumstances transfer.

The counter is established as units are vacated. Units will be offered as they become available. [Note: This language was to be deleted during the annual plan amendment public process, post comment period, but unintentionally remains. The revised language in the first paragraph above directly conflicts with this.]

(b) Offers Made Outside of the Counter System

(i) The counter process may be interrupted at any time in order to offer a unit to an Administrative Transfer applicant.

(ii) From time to time, the BHA shall fill a vacancy outside of the counter system with a Supported Housing Applicant. Supported Housing applicant lists are established by memorandum of agreement and referrals for those programs are received from non-profit partners that provide services to residents in exchange for housing opportunities. Memorandums of agreement for current Supported Housing Programs shall be posted to BHA's website.

6.2.2 Offers of Accessible Apartments

BHA seeks to occupy apartments with adapted features with residents that require the features due to a disability. The BHA shall take the following steps to achieve this goal:

(a) The BHA shall maintain a database of all of its Accessible Apartments and Apartments with adapted features, including wheelchair accessible units, first floor units, and units with zero steps.

(b) The BHA shall utilize this database to match residents and Applicants with a Household Member having a disability with appropriate apartments.

(c) The BHA will offer an available Apartment with adapted features in the following order:

(i) First, to a current Household of another apartment of the same development/AMP, or other public housing development/AMP under BHA's control, containing a member having a disability on account of which the adapted features of the vacant Apartment are needed. (In effect an Administrative Transfer of the resident Household with a disabled Household Member from the non-adapted Apartment to the vacant adapted Apartment).

(ii) Second, to an Eligible and Qualified Applicant Household on the waiting list/AMP with a disabled household member who requires the adapted features of the vacant Apartment.

(iii) Third, to an Eligible and Qualified Applicant or Transfer Applicant Household on the waiting list/AMP that does not require the adapted features of the vacant Apartment. In this case, BHA will require that the Applicant sign a BHA lease which provides that the Applicant will move to an alternative available Apartment of appropriate size within thirty (30) calendar days when a Disabled Household Member of another Applicant household is identified as needing the adapted features of the Apartment on account of his/her disability.

(d) The BHA shall also maintain a listing of all Apartments with adapted features where the current resident Household does not require the adapted features. If there is an Eligible and Qualified Applicant or Transfer Applicant on the waiting list with a need for the adapted features in an apartment that is currently occupied by a Household without a need, the BHA shall take the following action:

(i) The BHA will notify the current resident Household of the requirement to transfer due to the existence of an Eligible and Qualified Applicant or Transfer Applicant Household with a disabled household member who requires the adapted features available in the resident's Apartment. If the BHA identifies more than one Apartment with the necessary adapted features, the resident Household with the shortest tenure in its current Apartment will be required to Transfer.

(ii) The BHA will initiate an Administrative Transfer process for the current resident Household. The BHA will identify an alternative appropriately sized Apartment based upon the resident's current Household composition on a case by case basis pursuant to the Administrative Transfer procedure of this policy.

(iii) The BHA will offer the alternative appropriately sized Apartment to the resident Household. The BHA will also notify the resident Household of their requirement to move within thirty (30) days of this offer. The resident may request and the BHA may grant a reasonable extension. As part of the transfer process, the BHA will consider any resident request for a Reasonable Accommodation and/or on-site transfer.

(iv) If the resident Household fails to vacate the Apartment with adapted features after being properly notified and offered an alternative appropriately sized Apartment, the BHA shall initiate legal action in accordance with the BHA lease.

(v) Once the Apartment with adapted features becomes available, it will be offered to the identified Eligible and Qualified Applicant or Transfer Applicant Household with a disabled household member on the waiting list in accordance with the procedures outlined in this policy.

State Public Housing 760 CMR 5.10 – Placements and Offers

(1) General Provisions for Placements.

(a) Placements are to be made in elderly/handicapped housing to achieve a mixed population of elderly households in 86.5% of the units and handicapped households in 13.5% of the units. The LHA shall place applicants in accordance with 760 CMR 5.10(2) in order to attain or to sustain these percentages. Such placements shall also be made in accordance with any applicable priority and preference categories and the affirmative action preference, if applicable.

(b) Any accessible or modified unit shall be offered to an applicant household which includes a person, regardless of age, who has a physical handicap which handicap necessitates one or more of the special design features of the unit.

(c) Except as provided in 760 CMR 5.10(1)(a) and (b) and subject to the affirmative action preference, if applicable, when a unit or rental assistance voucher becomes available, it shall be offered to the applicant for the applicable program with an appropriate household size who has the earliest date and time stamp in the highest preference category within the highest priority category.

(2) Placements by LHA in Elderly/Handicapped Housing. Prior to making a placement in elderly/handicapped housing, the LHA shall determine the LHA's current percentage of St. 1954, c. 667 units occupied by handicapped households. In making this determination the LHA shall count all St. 1954, c. 667 units, including St. 1954, c. 667 congregate units, St. 1954, c. 667 section 8 new construction or substantial rehabilitation units, St. 1954, c. 667 modified units, and St. 1954, c. 667 conventional units. The LHA shall then place applicants as follows:

(a) If the percentage of units occupied by handicapped households is less than 13.5%, the LHA shall place one eligible and qualified handicapped household for each eligible and qualified elderly household placed until such time as the percentage of handicapped households equals or exceeds 13.5%.

(b) If the percentage of the units occupied by handicapped households equals or exceeds 13.5%, the LHA shall place eligible and qualified elderly households until such time as the percentage of handicapped households falls below 13.5%.

(c) If the percentage of units occupied by handicapped households equals or exceeds 13.5%, but the LHA has exhausted its waiting list of eligible and qualified elderly households, the LHA shall place those eligible and qualified handicapped households whose members have attained 50 years of age, but are younger than 60 years old, until such time as the percentage of handicapped households falls below 13.5% or until there is an application from an eligible and qualified elderly household.

(d) If the percentage of units occupied by handicapped households equals or exceeds 13.5%, and the LHA has exhausted its waiting list of eligible and qualified elderly households and eligible and qualified handicapped households whose members have attained 50 years of age, but are younger than 60 years old, the LHA shall place eligible and qualified handicapped households, without regard to age, until there is an eligible and qualified elderly household or, in the absence of such an elderly household, an eligible and qualified handicapped household whose members have attained 50 years of age, but who are younger than 60 years old.

6.2.3 Acceptance or Rejection of an Offer

Generally, a vacant unit will be offered to the Applicant with the highest priority and preference. If multiple Applicants have equal priority and preference points the first offer will be made to the applicant with the earliest Priority and Preference approval date or the earliest application date for an Applicant without priority or preference (Standard Applicant). An Applicant will receive **one** offer at a time for housing for the first unit that is ready for occupancy that is an appropriate size at a development of choice, if applicable.

NOTE: An applicant will only be entitled to one offer at a time across federal and State portfolios.

State Public Housing 760 CMR 5.10 (4) – Accepting and Rejecting Offers

(4) Offers to Applicants.

(a) An applicant offered a unit must accept the offer within seven business days of the date of the written offer. For good cause, the LHA may extend the time for response. An applicant is entitled to only one offer of a unit of appropriate unit size provided that the LHA shall offer another unit when the applicant provides reliable documentation establishing that the unit offered is inappropriate and would cause severe and unreasonable hardship. An applicant who fails to accept the offer of a unit within seven business days or to provide such documentation within that period, shall

be removed from the waiting list for that program at that LHA and after being removed from the waiting list, if the applicant files a new application with that LHA, the applicant shall not be entitled to any priority or preference previously received based on information provided in that application for a period of three years. The LHA shall give the applicant notice of the removal of the application from the LHA's waiting list for that program and the right to request review pursuant to 760 CMR 5.13.

(b) An applicant who fails to accept three unit offers as set out in 760 CMR 5.10(4)(a) within a five-year period shall be removed from the waiting lists for all programs at all LHAs in the Statewide Online Application System for which the applicant applied, and any new application filed by the applicant for those programs at those LHAs will not be entitled to any priority or preference received based on information provided in prior applications for a period of three years. The LHA that made the third offer shall give the applicant notice of the removal and the right to request review pursuant to 760 CMR 5.13. An LHA conducting a review after a third failure to accept an offer may not consider the circumstances of the application's removal for failure to accept the first and second offers made, unless the applicant can clearly demonstrate a compelling reason for not requesting a timely review of the prior removals.

(c) An applicant offered an AHVP voucher shall make a diligent search to locate an apartment within the time specified in 760 CMR 53.00: Alternative Housing Voucher Program. An applicant who is unsuccessful in locating a unit within such time shall lose the voucher, and the LHA shall remove the applicant from the AHVP waiting list. When an applicant is on the waiting list for elderly/handicapped housing and becomes an AHVP participant the LHA shall drop the applicant to the bottom of that waiting list.

(a) Applicant Acceptance of Housing Offer

Once an Offer of housing is communicated in writing, the Applicant or Resident has seven (7) business days to accept or it will be considered rejected, unless extenuating circumstances can be established for failure to respond.

An Applicant must move to their assigned unit within 30 calendar days of the offer of housing unless otherwise agreed upon by the BHA in writing. Failure to move to the unit within the 30 calendar days or agreed date shall be considered as an unacceptable housing offer refusal.

If Resident fails to **completely** move to the offered unit within the 30 calendar days from their housing offer notification or BHA agreed date, the resident shall be subject to lease enforcement or rent charges as approved by HUD and/or DHCD.

(b) Rejecting an Offer of Federal Housing

The BHA will remove an Applicant from all federal Public Housing Waiting lists if they reject an offer of Federal Public Housing. Furthermore, the Applicant will only be eligible to re-apply after two (2) years from the date of the most recent unit rejection. This is different than the policy for State Public housing as detailed above.

(c) Rejecting of Offer of Housing as a Special Circumstances Transfer Applicant

A Transfer Applicant is offered one housing unit of the appropriate size and type. Failure to accept the housing offer will result in the denial of the transfer Application and the resident may not re-apply for the same transfer type and Priority and Preference for a period of two (2) years from the date the housing offer was rejected.

(d) Change in Circumstances After Rejection

The BHA will allow an Applicant who rejects an offer of housing to re-apply as prior to the expiration of the two (2) year period if the Applicant experiences a change in circumstance that justify a different Priority/Preference(s) or Transfer type. BHA will recognize the new Transfer type and Priority and/or Preference status after verification and place the Applicant on a waiting list using the new status and the date of the new application/transfer.

(e) Rejecting an Offer of Housing as an Over or Under Housed Applicant

Under or Over Housed transfer applicants who reject an offer of housing will be will be subject to legal action(s).

(f) Rejecting an Offer of Housing Without Penalty

An Applicant or transfer applicant may reject an offer of an apartment without being removed from the waiting list only in the following circumstances

(i) apartment cannot be restored to move in condition within thirty (30) calendar days of the date of offer as verified by the manager

(ii) After successfully completing the final screening process, the Applicant's situation changed such that a new, different or additional Good Cause consideration has arisen and the Applicant was unable to notify the BHA of the change due to extenuating circumstances, i.e. documented hospitalization, or;

(iii) The transfer applicant's situation has changed after being approved for transfer and the resident was unable to notify the local management office or Admissions Department of the change due to extenuating circumstances, i.e. hospitalization or;

(iv) The hardship caused by acceptance of the offered apartment is due to a physical feature that was not included in the apartment characteristics inventory as documented by the applicant. This will be considered as an inappropriate housing offer.

6.2.4 Good Cause or Reasonable Accommodation

An applicant for admission or transfer may request special considerations with respect to the features of the unit or building or the location of the development. These requests may be approved as Good Cause or as a Reasonable Accommodation.

(a) Request for Good Cause or Reasonable Accommodation

Below is a description of the BHA's procedure for requesting an assignment or transfer for Good Cause or Reasonable Accommodation:

- (i) The BHA maintains a detailed inventory of physical characteristics for all of its apartments. Apartment characteristics, as well as location, will be used in matching an Applicant or transfer applicant in order to address the Good Cause or Reasonable Accommodation need.
- (ii) The Applicant must indicate to the Admissions Department staff prior to receiving an offer of housing, and a resident seeking transfer must advise staff in his/her management office at the time of the transfer request, that he/she requires special consideration in identifying a particular type of apartment or placement in a particular area of the city.
- (iii) Changes in Applicant circumstances that occur during the final screening process or after the request for Transfer shall be considered.
- (iv) Good Cause or Reasonable Accommodation must be supported in writing by a Qualified Healthcare Provider, or other professional (such as a law enforcement official, medical services provider, or social service provider) familiar with the Applicant's or resident's need, and;
- (v) If the Authority determines, after reviewing the request for such consideration and the documentation submitted in support of it, that the Applicant or transfer applicant qualifies, he/she will be approved for an assignment for Good Cause or Reasonable Accommodation.

(b) Example reasons and supporting documentation

Example reasons and supporting documentation that could be considered Good Cause or related to a request for Reasonable Accommodation are listed below:

- (i) The aggravation of a serious, determinable physical or mental impairment

A statement from a Qualified Health Care Provider on letterhead stationery which establishes the precise reasons a particular apartment feature (or apartment location) is needed. The statement MUST provide information regarding the effect of the condition on the Applicant or household member and must document why a particular type of apartment (or apartment location) is needed.

CHAPTER 7: TRANSFERS

7.1 Transfer Categories

BHA divides transfer applicants into two separate categories: Administrative and Special Circumstances.

A resident of BHA Public Housing may request a transfer in accordance with the BHA lease.

State Public Housing – Transfers

The BHA ACOP waives State regulations with respect to transfers. This waiver will allow BHA to provide a singular transfer process across the BHA public housing portfolio, as residents transfer from state to federal properties and vice versa. Additionally the waiver enables a consistent interpretation of the BHA lease with respect regarding transfer rights and procedures regardless of the program funding source.

Specifically, the BHA ACOP waives the following regulatory provisions with respect to transfers.

1. The BHA policy waives the definition of a Transfer for Administrative Reasons as listed in 760 CMR 5.03 and substitutes with the definition below in Section 7.1.1.
2. The BHA policy waives the definition of a Transfer for Good Cause as listed in 760 CMR 5.03 and substitutes with the definition Special Circumstances Transfer as listed below in Section 7.1.2
3. The BHA will maintain waiting lists for all transfer applicants therefore, the 6th Priority as defined in 760 CMR 5.09(f) shall not be applied to applicants in CHAMP.

The BHA shall process over and under housed families as Administrative Transfers.

BHA may initiate an Administrative Transfers to bring residents into compliance with the BHA Occupancy Standards. On a regular basis, management will address over under transfer by reviewing the portfolio site by site and establishing a right sizing plan for review by the Administrator. Residents will be informed in writing that a transfer is necessary and pending. Residents who fail to transfer will be subject to eviction,

Generally, the BHA will attempt to resolve over and under housed families by relocating the most over and under housed families as a priority

The following are categories for Special Circumstances Transfers:

⁵ Transfers in this category will be processed pursuant to BHA's Civil Rights Protection Plan ("CRPP").

For example, a resident in a situation which may constitute a life-threatening situation to the health, safety or well-being of the resident or a Household Member who does not meet all of the criteria may have some or all of these conditions waived⁶. If the resident is a party to or under a Use and Occupancy Agreement, s/he may be transferred and any legal action against the resident will continue.

This consideration is essential to address a particular verifiable need with respect to housing accommodations or to avoid a verified hardship. This documentation must be submitted with the transfer request. If the Authority determines, after reviewing the request for such consideration and the documentation submitted in support of it, that the Applicant or transfer applicant qualifies for such consideration, he/she will be approved for an assignment for **Good Cause or Reasonable Accommodation to a unit of appropriate size and type**. Good Cause or Reasonable Accommodation requests shall be submitted for review prior to a housing offer.

7.5 Denial of Transfer Requests

In all instances, transfer approval shall be denied if the resident does not provide appropriate documentation to substantiate the transfer request; or if the BHA determines that the resident, other Household Member, or guest was the cause of the situation resulting in the need for transfer unless the existing condition of the apartment makes it uninhabitable in which case any approved transfer may be under a Use and Occupancy Agreement

7.6 Transfers on a Waiting List/AMP

Non-Administrative Transfers shall be placed on site-based Waiting Lists by bedroom size and unit type. Special Circumstances transfers will consider Priority and Preference Points as well as date and time of application.

BHA residents who will be relocating to another unit who fail to vacate and return the key by the determined and agreed date shall be responsible to pay a pro-rated use and

occupancy for the unit being vacated in addition to their regular monthly rent for the new transferred unit. Once the unit is accepted, the resident must move to the new unit within ten (10) calendar days after they have received the key to the new unit. BHA will consider extenuating circumstances and/or reasonable accommodation requests.

7.9 Transfer Waiver/Reasonable Accommodation

An Elderly or non-elderly disabled BHA Household residing in a Family Development/AMP which is Over-housed by not more than one bedroom, may apply for a reasonable accommodation to remain in his or her current apartment instead of transferring. A household for which separate bedrooms have been approved for health reasons is not eligible for a waiver under this section. Denial of such a waiver is reviewable pursuant to BHA's Grievance Policy.

7.10 Continued Occupancy for Veterans

7.11 Rejection of Approved Transfer by Resident

7.11.1 Special Circumstances and Administrative Transfers

Under the terms of the BHA *lease*, BHA is authorized to transfer Resident to an appropriate size apartment if Resident's current apartment is needed by the BHA as a reasonable accommodation for another BHA resident who is a qualified individual with a handicap.

For all other transfer requests the rejection of an offer without good cause or an approved reasonable accommodation of an Apartment of appropriate size and design will result in revocation of the resident's approved Special Circumstances or Administrative Transfer status. The Resident will be removed from the transfer waiting list and the resident will not be eligible to apply for an Special Circumstances or

Administrative Transfer for the same circumstances for a period of two (2) years from the date of the most recent rejection. During the two (2) year period, the BHA will consider a change in circumstances, good cause, or other reasonable accommodation that merit a new request for transfer.

In addition, Over Housed residents in the State housing program will be charged 150% of their monthly rent upon the housing offer refusal as required by State regulations.

7.11.2 On-Site Under or Over Housed Transfers

In the case of On-Site Under or Over Housed Transfers, BHA shall proceed with eviction against an Over or Under-housed resident who has rejected an offer of transfer without good cause.

In addition Over Housed residents in the State housing program will be charged 150% of their monthly rent upon the housing offer refusal as required by State regulations.

In order to assume the status of a resident under this policy, the Residual Tenancy Applicant must be:

An adult who has been a recorded member of a resident Household on the most current lease a) Tenant Status Review form if the Head or Co-Head has been removed due to death or incapacity, or b) for more than twelve months, if the Head or Co-Head departed to other non-BHA housing and whose income has been recorded and considered in the rent computations during the period of his/her occupancy unless he/she was without income or was a full-time student. In the case that the Applicant's recorded member status was in-process but not finalized, but his or her income was already recorded and considered in the rent computations for the appropriate time period as specified above, he or she shall be eligible to be considered for Residual Tenancy.

OR

In the event the remaining member(s) of the resident Household consist only of minor children, the applicant must be an adult who, prior to entering into a lease has been appointed either a temporary or permanent guardian, or is the natural parent of one or more household members, and is willing to assume responsibility for the apartment and the household and is willing to enter into a lease.

Person(s) not so designated may not apply as a Residual Tenancy Applicant.

8.3 Residual Tenancy and Income

The charge shall be calculated pursuant to Federal and State regulations for all remaining Household Members. The Use and Occupancy Agreement shall permit the occupant to occupy the apartment pending determination of the Residual Tenancy Application without being permitted to sign a BHA standard dwelling lease.

8.5 Limitations of Policy

Remaining members of a resident household will not be considered for residual tenancy, if the departing or incapacitated Head or Co-Head of Household is relocating to another BHA apartment or BHA Leased Housing, is under eviction for non-payment of rent or for cause, or vacates with an outstanding balance due to the BHA (except in case of the Head or Co-Head's death). Where applicable, any approved applicant for residual tenancy shall remain under a Use and Occupancy Agreement and will not sign a BHA standard dwelling lease until such time as they are transferred to an appropriately sized unit. A reduction in benefits resulting from the expiration of a lifetime time limit for a household receiving said benefits shall not be considered as a failure to comply.

9.2.5 Zero Income Family

Households paying \$0 rent must be re-certified every ninety days. This rule requires Residents to report to the management office every 90 days to re-certify income and family status.

9.2.6 Effective Date of Rent Share Change

When household income decreases, rent shall be decreased if requested by Resident, and if such rent decrease is in accordance with BHA policy. 9.2.8 Choice of Rent Calculation Method

(a) State Developments

Rent will be determined in accordance with applicable State regulations, the BHA Lease and the BHA Rent Manual.

(b) Federal Developments/AMPs Only

As part of the annual Tenant Status Review (TSR) process, residents in Federal Developments/AMPs will be provided written information about the following two different methods for determining the amount of rent payable by the family, their right to choose the method of determining rent and under what circumstances they may request a change to the method utilized in determining rent. As part of this process, residents will be educated about the benefits of selecting one method over another and will be asked to notify the BHA in writing as to which option they choose, except in cases where the resident is over-income as described below.

(i) Flat Rent

A fixed rent determined for each unit size based on a rent reasonableness study conducted by the BHA pursuant to 24 CFR 960.253 (b) of comparable units available in the private market or 80% of fair market rents (FMRs) as published by HUD annually. Flat rent will be set at the amounts determined by the rent reasonableness study, if such amounts exceed 80% of FMRs and at 80% of FMRs if the amounts determined by the rent reasonableness study are less than 80% of FMRs. On an annual basis the BHA will update the flat rent amounts within 90 days after HUD publishes new FMRs. The new flat rent shall apply to all new admissions and to existing residents at the time of their next scheduled annual Tenant Status Review (TSR). The BHA will maintain a current listing of its flat rent schedule as an appendix to the BHA Rent Manual and will provide this list to residents at least annually as part of the TSR process.

Financial Hardship: Residents who choose flat rents may request to change to an income-based rent at any time if the family is unable to pay the flat rent because of financial hardship. A financial hardship exists for these purposes when a family's income

is reduced or their deductions are increased to the extent that an income-based rent is lower than the flat rent.

(ii) Income-Based Rent

Rent determined by the family's income and allowable deductions in accordance with the BHA's Lease, the BHA's Rent Manual and applicable Federal regulations. Types of Income-Based rent include:

- The higher of 10% of Gross Annual Income or 30% of Adjusted Annual Income
- Ceiling Rent – a cap to the amount of income-based rent that a resident may pay for their unit, equal to the Flat Rent amount for the unit
- In the case of mixed families, Prorated Assistance
- ~~A higher rent pursuant to the Over-Income Policy~~

9.3 Interim Recertification

A Family may request in writing an interim determination of **the household's rent** at any time because of a change in the Family's income, Adjusted Income (household deductions), family size, or composition. A Family must report changes in the circumstances described in the section below.

State Public Housing – Interim Re-determination of Rent 760 CMR 6.04(5)

(a) Increases.

If in any month the monthly gross household income of a tenant household increases by 10% or more from the amount contained in the most recent notice of rent as (re)determined by the LHA, the tenant shall report any such increase, including any changes in income, exclusions and deductions. The tenant shall report the increase to the LHA by the seventh day of the month following the month in which the increase occurred, provided that if the increase was anticipated in the prior computation of gross household income, the tenant need not report the increase. The LHA shall require verification of such increase in income. If as a result the amount of rent increases, at least 14 days before the effective date of a rent increase, the LHA shall give the tenant a written notice of the re-determined rent. Any such increase in rent shall be made effective on the first day of a month. The notice of re-determined rent shall set out the monthly gross household income and the monthly net household income, on the basis of which the re-determined monthly rent was calculated. In the event that a tenant shall have failed to report such an increase in income by the seventh day of the month following the increase, in addition to its other remedies, the LHA, upon discovery that

increased rent was due, shall make the effective date of the increase in rent retroactive to the first day of the second month following the increase in income.

(b) Decreases.

If, in any month, the monthly gross household income of a tenant household decreases, the tenant may provide the LHA with verified information substantiating the decrease in gross income. Following receipt of such information, the LHA shall re-determine rent. The LHA shall give the tenant written notice of any decrease in rent which shall be effective on the first day of the month following receipt of the information or at such earlier time as the LHA shall find to be warranted in the event that circumstances delayed receipt of verified information. Provided, however, that until the termination of the state of emergency declared by the Governor under Emergency Order: Declaration of a State of Emergency to Respond to COVID-19, the decrease in rent shall be retroactively effective to the first day of the month following the date of the verified decrease in income. The notice shall set out the monthly gross household income and the monthly net household income, on the basis of which the re-determined monthly rent was calculated.

9.3.1 Circumstances Requiring an Interim Recertification (Federal Programs)

(a) All Changes in Family Composition

Family Reporting Requirements:

A Family is required to inform and supply any necessary verification to the BHA within thirty (30) days of a birth, adoption, or court awarded custody. The BHA must approve the eligibility for any addition to the Family that does not result from a birth, court-awarded custody, or adoption

A Family must also notify the BHA in **writing** within 30 days of any departure of a Family member due to death, permanent institutionalization, or other reason, and provide the BHA with verification, including, where applicable, the verification of the new address of the departed Family member.

(b) Some Increases in Income

(i) Increase in Family income after reporting a decrease

The BHA will process an interim certification, if the family receives any increase in earned income after they had reported a decrease in earned income, but prior to the next regular annual recertification,

For example, the BHA will process an interim increase certification for seasonal employees who receive a decrease or loss of wages and prior to their next regular annual recertification receive an increase in earned income when the season begins.

(ii) Receipt of Unearned Income Resulting in 10% Increase

The BHA shall process an interim certification when the family begins receiving unearned income that increase annual income by ten percent (10%) or greater.

(iii) Increase in Family Income for Family without Income

The BHA shall process an interim certification of income when a without income receives any increase in earned or unearned income.

If a Family's income is too unstable to project for 12 months or if a Family temporarily has no income (a "zero-income Family") or if a Family has a temporary decrease in income, the BHA may schedule special Recertification with the site management every month, or at least quarterly, until the income stabilizes and/or an Annual Income can be determined.

Family Reporting Requirements:

If a Family has an increase in income \$200.00 dollars per month or more the family must report the increase in writing to the BHA within thirty (30) days of receiving the increase in income. The BHA shall make a determination as to whether or not an interim certification should be processed for the family. An increase in income is any increase or new source of income which was not being received at the last annual or interim recertification of the Family. If the family fails to report an increase in income, resulting in an increase in the household's rent, the rent shall be increased retroactively in accordance to the BHA's rent policy.

Residents shall report to BHA any increase in monthly gross household income of \$200 or more from the amount reported to BHA at the most recent annual rent determination or interim redetermination. Any such increase must be reported by the seventh day of the month following the month in which the increase occurs. Upon receipt of such a report, Resident's rent and family circumstances shall be reviewed in accordance with BHA's rent policy. Rent increases will be effective the second month after BHA sends Resident a Notice of Rent Change. If a Resident fails to report a change requiring a rent increase, rent shall be increased retroactively to the second month following the change.

(c) Decreases in Family income.

If a Family has a decrease in income, it must be reported to the BHA within thirty (30) days of the loss or decrease in income. When a decrease in family income is reported the BHA shall consider any effect that the reduction in income may have on child care or disability assistance expense deductions.

Family Reporting Requirements:

If a Family reports in writing a change in income within 30 days, a decrease in tenant share shall be effective the month following the verified decrease in income. For

example, if a Family reports a decrease in income on March 3 that resulted from a job loss on February 20, the change in tenant share shall be processed effective March 1.

If the family fails to report the change in income within 30 days, the decrease in tenant share shall be made effective the month following the reported change.

9.4 Over-Income

State Public Housing – 760 CMR 5.06: Income Eligibility

(2) A household occupying a unit in elderly/handicapped housing shall remain eligible for continued occupancy until such time as 30% of its monthly net household income equals or exceeds the fair market rent (FMR) then in effect for the Section 8 Existing/Voucher Program for a unit of appropriate unit size in the area in which the LHA is located.

(3) A household occupying a unit in family housing shall remain eligible for continued occupancy until such time as 32% of its monthly net household income equals or exceeds the fair market rent (FMR) then in effect for the Section 8 Existing/Voucher Program for a unit of appropriate unit size in the area in which the LHA is located. (4) An AHVP participant shall remain eligible for continued occupancy in a unit until such time as the participant's rent share equals or exceeds the contract rent. The participant shall retain his or her AHVP voucher for 90 days from the date on which the LHA determines that the participant's share equals or exceeds the contract rent. At the end of that period, if the participant's share continues to equal or exceed the contract rent, the household will not be eligible for continued assistance under the AHVP.

Federal Public Housing

The “over-income limit” will be determined in accordance with 24 CFR 960.507. Families whose income exceeds the over-income limit for 24 consecutive months will have their tenancy terminated.

Determination of over-income limit

The over-income limit is set by multiplying the Very Low-Income level applicable for the area and the correct family size by a factor of 2.4. HUD will publish the income limits for each family size annually, and the BHA will calculate and post the over-income limits within 60 days following the effective date of the income limits.

Notifying over-income families

1. If the BHA, during the course of conducting an annual or interim rent redetermination, or at any other time, determines that the family’s income exceeds the over-income limit, the family’s over-income status will be documented in the family’s tenant file and the BHA will send a written notice to the family of the over-income determination no later than 30 days after the income examination. The notice shall state that the family income

exceeds the over-income limit and that by continuing to exceed the over-income limit for a total of 24 consecutive months results in the termination of tenancy. The family may dispute the determination by making a written request for a hearing within 30 days of the notice.

2. The BHA must conduct an income examination 12 months after the initial over-income determination. If the BHA determines that the family's income still exceeds the over-income limit, the BHA will send a second notice to the family of the over-income determination no later than 30 days after the 12-month income examination. This second notice shall state that the family income has exceeded the over-income limit for 12 consecutive months and continuing to exceed the over-income limit for a total of 24 consecutive months will result in the termination of tenancy. The family may dispute the determination by making a written request for a hearing within 30 days of the notice.

3. The BHA must conduct an income examination 24 months after the initial over-income determination. If the BHA determines that the family's income has exceeded the over-income limit for 24 consecutive months, the BHA will send a third notice to the family of the over-income determination no later than 30 days after the 24-month over-income examination. The third notice must state that: (i) the family's income has exceeded the over-income limit for 24 consecutive months and (ii) the BHA shall terminate the family's tenancy within six months of the third notice.

The over-income family will continue to be a public housing program participant until the tenancy is terminated and the BHA shall continue to charge the family's choice of income-based, flat rent, or prorated rent for mixed households during the period before the lease termination.

The 24 months must be consecutive for the tenancy to be terminated. If the BHA determines that the family is no longer over-income prior to the expiration of the 24-month period, the 24-month period is reset. The household will be entitled to a new 24-month grace period if the household income exceeds the over-income limit at another time.

If the family has been over-income for 24 consecutive months, their tenancy will be terminated even if their income subsequently goes below the over-income limit after the 24-month period.

Reporting Requirements

In accordance with 24 CFR 960.507(f) requirements, as amended, BHA will report the following data as of the end of the calendar year, i.e., December 31st, to HUD:

1. The total number of over-income families residing in public housing; and
2. The total number of families on waiting lists for admission to the public housing developments/AMPs.

Per the regulations, this information must also be made publicly available.

~~As part of the Housing Opportunity Through Modernization Act of 2016 (HOTMA), the BHA is required to impose an income limit for residents in Federal developments/AMPs (“over income limit”). Households whose income exceeds the over income limit for more than two years will be charged a rent amount equal to the higher of a) the current FMR for the unit or b) the amount of monthly subsidy for the unit, including operating and capital fund amounts, as determined under HUD guidelines.~~

~~For the purposes of this policy, the over income limit will be set at 2.4 times the Very Low Income level for the area. HUD will publish the over income limits for each family size annually.~~

~~If the BHA, during the course of conducting an annual redetermination or interim redetermination due to an increase in income, determines that the family’s income exceeds the over income limit, the family’s over income status will be documented in the family’s tenant file and a two year over income grace period will begin effective as of the beginning date of the next rent period. If after one year from the initial determination that the household income exceeds the over income limit, the BHA determines that the household income continues to exceed the over income limit, the BHA will send a notice to the Resident. This notice will inform the Resident that the family income has exceeded the over income limit for one year, and that if the family’s income continues to exceed the over income limit for the next 12 consecutive months, the family will be subject to a higher rent. If the BHA subsequently determines that the household income has exceeded the over income limit for 24 consecutive months, the rent will be set at a higher level as prescribed above.~~

~~If at any time during the two year over income grace period, the BHA conducts an annual or interim redetermination and verifies that the family is now below the over income limit, the over income grace period will end and, if applicable, any over income notices issued to the family during the over income grace period will be cancelled. The household will be entitled to a new two year grace period if the household income exceeds the over income limit at another time.~~

~~If a change in family income is reported after the two year period and is determined to be below the over income level, the family will no longer be subject to the higher rent calculation in this section.~~

9.5 Use of HUD’s Enterprise Income Verification (EIV) System (Federal Only)

The EIV System is a web-based application providing employment, wage, unemployment compensation and social security benefit information of tenants who participate in the Public Housing and various Section 8 programs under the jurisdiction of HUD’s Office of Public and Indian Housing (PIH). This system is available to all PHAs nationwide. Information in EIV is derived from computer matching programs initiated by HUD with the Social Security Administration (SSA) and the U.S. Department of Health and Human Services (HHS), for all program participants with valid personal identifying information

(name, date of birth (DOB), and social security number (SSN)) reported on the form HUD-50058. The EIV system is for use in the federal programs only.

9.5.1 Required Use of EIV

The BHA is required to review an EIV Income Report of each family before or during mandatory annual and interim reexaminations of family income and/or composition to reduce tenant under reporting of income and improper subsidy payments. EIV is classified as an UIV technique (or automated written third party verification), which helps to identify income sources and/or amounts that the tenant may not have disclosed. The BHA is required to maintain the Income Report in the tenant file along with the form HUD-50058 and other supporting documentation to support income and rent determinations for all mandatory annual reexaminations of family income and composition.

(a) Disputing EIV Information and Resolving Discrepancies

In accordance with 24 CFR §5.236(b)(2)(3), the BHA is required to compare the information on the EIV report with family-reported information. If the EIV report reveals an income source that was not reported by the tenant or a substantial difference in the reported income information, the BHA is required to take the following actions:

- Discuss the income discrepancy with the tenant; and
- Request the tenant to provide any documentation to confirm or dispute the unreported or underreported income and/ or income sources; and
- In the event the tenant is unable to provide acceptable documentation to resolve the income discrepancy, the BHA is required to request from the third party source, any information necessary to resolve the income discrepancy; and
- If applicable, determine the tenant's underpayment of rent as a result of unreported or underreported income, retroactively as far back as reliable information will support; and
- Take any other appropriate action as directed by HUD or the BHA's administrative policies.

(b) Requirement to Reimburse for Undercharged Rent

Tenants are required to reimburse the BHA if they were charged less rent than required by HUD's rent formula due to the tenant's underreporting or failure to report income. The tenant is required to reimburse the BHA for the difference between the tenant rent that should have been paid and the tenant rent that was charged. This rent underpayment is commonly referred to as retroactive rent. If the tenant refuses to enter into a repayment agreement or fails to make payments on an existing or new repayment agreement, the BHA **must** terminate the family's tenancy or assistance, or both. HUD does **not** authorize any PHA-sponsored amnesty or debt forgiveness programs.

(c) Correction of Incorrectly Reported Information in EIV

(i) Sometimes the source or originator of EIV information may make an error when submitting or reporting information about tenants. HUD cannot correct data in the EIV system. Only the originator of the data can correct the information. When the originator corrects the data, HUD will obtain the updated information with its next computer matching process. Below are the procedures tenants and PHAs should follow regarding incorrect EIV information.

(ii) Employment and wage information reported in EIV originates from the employer. The employer reports this information to the local State Workforce Agency (SWA), who in turn, reports the information to HHS' National Directory of New Hires (NDNH) database.

If the tenant disputes this information, s/he should contact the employer directly, in writing to dispute the employment and/or wage information, and request that the employer correct erroneous information.

The tenant should provide the BHA with this written correspondence so that it may be maintained in the tenant file. If employer resolution is not possible, the tenant should contact the local SWA for assistance.

(iii) Unemployment benefit information reported in EIV originates from the local SWA. If the tenant disputes this information, s/he should contact the SWA directly, in writing to dispute the unemployment benefit information, and request that the SWA correct erroneous information. The tenant should provide the PHA with this written correspondence so that it may be maintained in the tenant file.

(iv) SS and SSI benefit information reported in EIV originates from the SSA. If the tenant disputes this information, s/he should contact the SSA at (800) 772-1213, or visit the local SSA office. SSA office information is available in the government pages of the local telephone directory or online at <http://www.socialsecurity.gov>.

(v) The tenant may also provide the BHA with third party documents which are in the tenant's possession to support their dispute of EIV information. The BHA, with the tenant's consent, is required to submit a third party verification form to third party sources for completion and submission to the BHA, when the tenant disputes EIV information and is unable to provide documentation to validate the disputed information. The tenant's failure to sign the consent form is grounds for termination of tenancy and/or assistance in accordance with 24 CFR §5.232.

(vi) Debts owed to PHAs and termination information reported in EIV originates from the PHA. If a current or former tenant disputes this information, s/he should contact the PHA (who reported the information) directly in writing to dispute this information and provide any documentation that supports the dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record from EIV. Former tenants may dispute debt and termination information for a period of up to three (3) years from the end of participation date in the PIH program.

(vii) Identity Theft. Seemingly incorrect information in EIV may be a sign of identity theft. Sometimes someone else may use an individual's SSN, either on purpose or by accident. SSA does not require an individual to report a lost or stolen SSN card, and reporting a lost or stolen SSN card to SSA will not prevent the misuse of an individual's SSN. However, a person using an individual's SSN can get other personal information about that individual and apply for credit in that individual's name. So, if the tenant suspects someone is using his/her SSN, s/he should check their Social Security records to ensure their records are correct (call SSA at (800) 772-1213); file an identity theft complaint with the local police department and/or Federal Trade Commission (call FTC at (877) 438-4338, or visit their website at: <http://www.ftc.gov/bcp/edu/microsites/idtheft/>); and s/he should also monitor their credit reports with the three national credit reporting agencies (Equifax, TransUnion, and Experian). The tenant should provide the PHA written documentation of filed identity theft complaint. (Refer back to paragraph on Employment and wage information regarding disputed EIV information related to identity theft).

Tenants may request their credit report and place a fraud alert on their credit report with the three national credit reporting agencies at: www.annualcreditreport.com or by contacting the credit reporting agency directly. Each agency's contact information is listed below.

(d) Security of EIV Data

The Federal Privacy Act (5 USC §552a, as amended) prohibits the disclosure of an individual's information to another person without the written consent of such individual. As such, the EIV data of an adult household member may not be shared (or a copy provided or displayed) with another adult household member, unless the individual has provided written consent to disclose such information.

However, the PHA is not prohibited from discussing with the head of household (HOH) and showing the HOH how the household's income and rent were determined based on the total family income reported and verified.

EIV information and any other information obtained by the BHA for the purpose of determining eligibility and level of assistance may not be disclosed to third parties for any reason (even for similar verifications under other programs, such as eligibility for low income housing tax credit units, other federal or state assistance programs), unless the tenant has authorized such disclosure in writing.

9.6 Self-Sufficiency Income Exclusions

The earned income exclusion is only available for households under lease. It is not applicable at admission. Only adults can qualify for the earned income disallowance (because the earnings of family members other than the head or spouse are excluded if the family member is under age 18). Each person can receive only one 24-month disallowance period during his or her lifetime. There are three categories of individuals who qualify for the earned income disallowance:

9.6.1 Employment After Unemployment

A person whose annual income increases because of employment after having been unemployed for at least 12 months. A person is considered to have been unemployed if he or she has earned less money in the previous 12 months than would have been earned working 10 hours per week for 50 weeks at the established minimum wage. (The minimum wage to be used is that applicable to the locality in which the determination is made.) The majority of families who qualify for earned income disallowances are likely to do so under this category. Note: An individual who was unemployed for some period of time before becoming a public housing resident or who earned so little in the previous period to be considered unemployed could qualify under this category, so long as there is a 12 month period of unemployment.

9.6.2 Income Increase After Training

A person whose annual income increases because of new or increased earnings during participation in an economic self-sufficiency or other job-training program. This requirement is not the same as the previous income disregard. The key concept in this eligibility category is that the individual receives the new or additional earned income while he or she is involved in economic self-sufficiency or job training, not after the completion of such training. Note: An example of this category of qualification occurs when people are studying for a variety of medical professions. Typically, classroom work is followed by a 'practicum' in a doctor's office, hospital or clinic, during which the individual is paid.

9.6.3 Income Increase After Receiving Welfare

A person whose annual income increases because of new or increased earnings, during or within six months after the household's receiving assistance, benefits or services from a program funded by any state program for Temporary Assistance to Needy Families funded under Part A of Title VI of the Social Security.

9.7 Community Service and Economic Self-Sufficiency Policy (Applicable to Federal Developments/AMPs Only)

As part of the Quality Housing and Work Responsibility Act of 1998, Congress imposed a requirement that all adult residents of federally funded public housing, unless specifically exempted, must perform community service activities or participate in an economic self-sufficiency program to remain eligible for public housing assistance. Therefore the federal public housing lease provides that all non-exempt residents must:

- Contribute 8 hours per month of community service (not including political activity); or
- Participate in an economic self-sufficiency program for 8 hours per month; or
- Perform eight hours each month of combined community service and self-sufficiency activities.

9.7.1 Definitions

(a) Community Service

For the purpose of this policy, community service is the performance of voluntary work or duties for the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community in which the resident resides. Community service is not limited to a single type of activity or a single location. Acceptable community service activities include, but are not limited to, improving the physical environment of the resident's development/AMP; volunteer work in a local school, hospital or child care center; working with youth organizations; or helping neighborhood groups on special projects. By statute, political activity is not an eligible form of community service.

(b) Economic Self-Sufficiency Program

For the purpose of this policy, an economic self-sufficiency program is any program designed to encourage, assist, train, or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include, but are not limited to: programs for job readiness or training, employment training, work placement, basic skills training, education, English language proficiency, work fare, financial or household management, apprenticeship, and any program

necessary to ready a participant to work, such as substance abuse or mental health treatment.

9.7.2 Notification of Residents

The Boston Housing Authority will notify all new residents of the community service requirement at the time of lease signing. The notification will include an explanation of the program and will list the categories of individuals who are exempt from performing community service activities. Definitions and examples of community service and economic self-sufficiency activities will be part of the notice.

All current residents will be provided with a copy of this notice at the time of annual re-examination.

The notification will also advise families when the community service obligation will begin. Non-exempt residents will be required to begin performing community service at their first lease renewal date following the adoption of this policy.

9.7.3 Exemptions

The following residents over the age of eighteen are exempt from this requirement:

- (i) Resident household members who are 62 or older;
- (ii) Resident household members who are blind or disabled as defined in the Social Security Act (Section 216 (i) (1) or Section 1614 of the Social Security Act (42 USC 416 (i) (1); 1382c);

The Social Security Act defines disability as the “inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than twelve months.”

Blindness is defined as “central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no less than 20 degrees shall be considered for purposes of this paragraph as having a central visual acuity of 20/200 or less.”

Residents who claim exemption because of disability or blindness must also certify that because of this blindness or disability they are unable to comply with the community service requirement. If a resident does not meet this definition of blindness or disability and believes that he or she is unable to perform community service or economic self-sufficiency activity, he or she may apply for an exemption from the requirement as a reasonable accommodation under the BHA Reasonable Accommodation in Housing

Policy (RAHP). An application for reasonable accommodation can be obtained at the development/AMP management office.

(iii) Resident household members who are the primary care giver of a blind or disabled individual as described in paragraph 2;

(iv) Resident household members who are engaged in a work activity as defined under section 407 (d) of the Social Security Act (42 USC 607 (d)), for ten or more hours each week;

Work activities are:

- Unsubsidized employment;
- Subsidized private sector employment;
- Subsidized public sector employment;
- Work experience, including work associated with refurbishing: publicly assisted housing, if sufficient private sector employment is not available;
- On-the-job training;
- Job search;
- Community service programs;
- Vocational educational training not to exceed twelve months;
- Job skills training directly related to employment;
- Education directly related to employment for a resident who has not received a high school diploma or a certificate of high school equivalency;
- Satisfactory attendance at a secondary school or in a course of study leading to a certificate of general equivalency for a resident who has not completed secondary school or received such a certificate; or
- The provision of childcare services to an individual who is participating in a community service program.

(v) Resident household members who are exempt from work activity under Part A of Title IV of the Social Security Act (42 USC Section 601 et seq.) or under any other state welfare program, including a State-administered welfare-to-work program; or

(vi) Resident household member of a family receiving assistance, benefits or services under a State program funded under part A of Title IV of the Social Security Act (42 USC 601 et seq.), or under any other State welfare program, including a State-administered welfare-to-work program or the Supplemental Nutrition Assistance Program (SNAP), and is in compliance with all provisions of that program.

In accordance with HUD guidelines, persons eligible for a disability deduction in rent are not automatically exempt from the community service requirement. A resident is exempt only to the extent the disability makes the person “unable to comply” with the community service requirement.

9.7.4 Initial Determination of Exemption

All applicants will be provided with an information sheet describing the community service/self-sufficiency requirement at the time they make their final application. At the time the lease is signed, the property manager will again provide the head of household with the community service information sheet. Each household member will be asked to declare if they are exempt from community service and provide the appropriate verifications.

In order to establish an exemption the following verification must be provided:

(a) Age 62 or over. Any birth certificate or proof of age already submitted by the resident to establish age or achieve eligibility for occupancy as a person 62 or older shall be deemed sufficient verification.

(b) Disability or blindness. Receipt by a household member of Social Security Disability or SSI benefits shall be deemed proof of disability under this policy. A household member whose application for disability benefits is pending shall be deemed disabled unless and until a denial of the application is received. Any resident who believes they meet the definition of disability included in this policy may submit a statement from their treating physician providing BHA staff with facts that will assist them in determining whether the resident is disabled within the definition applicable under this policy. If a resident does not meet this definition but still believes that he or she is unable to perform community service, the resident may apply for a reasonable accommodation under the BHA RAHP policy. The manager will provide an application for reasonable accommodation upon request.

Residents who are determined to be exempt because of blindness or disability shall also sign a statement certifying that they are unable to comply with the community service requirement because of the blindness or disability.

(c) Primary caregiver of a disabled or blind person. A statement from the person being cared for or his or her guardian affirming that the resident seeking exemption acts as the primary caregiver and the period during which (s)he is expected to continue in that role shall be adequate verification.

(d) Engaged in work activity. The verification of employment income provided to BHA for rent determination shall be adequate for this purpose. Verification of participation in job training or other qualifying program must be submitted by the providing organization or school.

(e) Exempt from work activity under state welfare program. Verification of the exemption should be obtained from the welfare department.

(f) Member of a family who receives assistance from a state welfare program and is in compliance with that program. Verification of receipt of program assistance and compliance should be obtained from the welfare department.

The manager will make a determination of exempt status and notify the resident. If the resident disagrees with the determination, he or she may file a grievance under the BHA grievance procedure.

The exemption status for each household member will be entered on the client worksheet. Families with non-exempt members will receive a list of community service and self-sufficiency opportunities.

9.7.5 Continuing Determination of Exemption and Compliance

Each year, as part of the Tenant Status Review, the property manager will determine whether each non-exempt household member has complied with the community service requirement and whether each exempt household member continues to be exempt.

Included with the letter requesting the head of household to come to the office for the status review will be a reminder that resident compliance with and/or exemption from community service will be determined as part of the status review. A list of exemption categories, a reminder that certain exemptions from the community service requirement must be reviewed annually and a description of the documentation needed to support each exemption will be attached to the letter. A Verification of Compliance form for each household member who was required to perform community service will be provided at the recertification appointment. These forms must be completed and returned to the property manager at least thirty (30) days before the lease term expires. The form includes confirmation of:

- the number of hours of community service/self-sufficiency work completed,
- the type of work completed
- the community organization where the work was completed
- the signature, name, title, address and phone number of the person supervising completion of the work.

At the time of the status review the manager will reconfirm the exemption status of each household member. The head of household may provide the property manager with the required documentation for any change in status claimed by an adult family member. The manager will reconfirm the following exemption categories annually:

- Blindness or disability
- Primary caregiver
- Engaged in work activity
- Exempt from work activity under a state welfare program
- Exempt through receipt of assistance, benefits or services from a state welfare program and in compliance with all provisions of the program.

If a household member becomes exempt from the community service requirement during a lease term and informs the manager so that the exemption can be verified, he or she shall be exempt from performing community service for the entire year. Unemployed residents, for example, may request an exemption if they find work or start a job training program. If a resident is determined by BHA to become exempt during the year, s/he will

be excused from the entire annual 96-hour requirement. There is no obligation for a resident to report a change in status from exempt to non-exempt between regular status reviews. If a resident previously determined to be exempt becomes non-exempt during a lease term, he or she is not required to report the change in status to the manager until the next status review.

If the household is found to be in compliance with the community service/self-sufficiency requirement as well as all other requirements for continuing occupancy, the lease will be automatically renewed. An annual lease signing process is not necessary.

9.7.6 Non-Compliance

If the BHA determines that a non-exempt resident has not complied with the community service/self-sufficiency requirement, the property manager must notify the head of household of the noncompliance in writing. This notification must also inform the resident that:

- the determination of noncompliance is subject to the BHA's grievance procedure;
- unless the resident enters into an agreement to cure or the non-compliant adult no longer resides in the unit, the lease of the family of which the noncompliant adult is a member shall not be renewed; and
- the resident has the opportunity to cure the noncompliance during the next twelve-month period.

To take advantage of the statutory opportunity to cure, the noncompliant adult must sign an agreement stating that the noncompliant adult will complete, over the next 12-month term of the lease, the additional hours of community service or economic self-sufficiency activity needed to reach the required total of 96 hours for the prior year. These additional hours must be performed in addition to the 96-hour requirement for the current lease year.

As is required by law, continued non-compliance will result in the commencement of eviction proceedings against the entire household, unless the noncompliant family member is no longer part of the household.

9.7.7 Documentation

The property manager must retain documentation of community service participation and/or exemption in the resident's file.

At lease signing for new residents or at the Tenant Status Review for current residents, the manager must ensure a Certification of Exemption Status form is completed for each adult household member claiming an exemption from the community service/self-sufficiency requirement. Supporting documentation will be requested of the resident to verify exempt status and copies of the verification will be retained in the file.

At the time of the annual Tenant Status Review, the head of household is responsible for ensuring that a Verification of Compliance form is completed by the appropriate authority for every non-exempt household member. This form will also be maintained in the resident file.

9.7.8 Grievance Procedure

Upon filing a written request, as provided in the Boston Housing Authority grievance procedure, any resident who disagrees with any Boston Housing Authority (BHA) action or failure to act in accordance with the Community Service Policy shall be entitled to a grievance hearing.

9.7.9 Prohibition Against the Replacement of Employees

In implementing the community service requirement, the Boston Housing Authority will not substitute community service for work ordinarily performed by public housing employees or replace a job at any location where community work requirements are performed.

9.7.10 Third Party Coordinating

The Boston Housing Authority intends to exercise its option to administer the community service/self-sufficiency requirement through one or more of the following alternatives:

- directly administer some qualifying community service and
- economic self-sufficiency activities;
- make such activities available through a contractor; or
- make such activities available through partnerships with qualified organizations, including resident organizations and community agencies or institutions.

9.8 Inspections

In accordance with the lease, apartment inspections are performed at three times: pre-occupancy, upon move-out, and at least once annually and as further provided in the BHA lease.

9.8.1 Pre-Occupancy Inspections

The BHA and the resident or his/her representative will inspect the apartment prior to occupancy by the resident. The BHA will give the resident a copy of the statement of conditions showing the condition of the premises, interior and exterior as applicable, and of any appliances provided with the apartment.

The statement of conditions shall be signed by a BHA representative and resident and a copy of the form retained in the resident's folder. Any deficiencies noted on the statement of conditions will be corrected by the Authority before the resident moves in, and at no charge to the resident.

9.8.2 Annual Inspections

The BHA will inspect all apartments at least annually and more frequently if apartment conditions are not safe, sanitary and in good repair. Residents will be notified as to the date and time of inspections in accordance with provisions in the lease.

Annual inspections will evaluate the following: any need for repairs; housekeeping conditions; safety violations; and resident's compliance with other obligations under the lease. The resident will be informed of any deficiencies and notified of any action required by the resident or the BHA to correct deficiencies.

BHA will correct deficiencies determined to be the BHA's responsibility.

Where resident action is required, re-inspections will be conducted.

Where the resident fails to take required action to correct deficiencies, the BHA may correct the deficiencies and bill the resident. The resident shall also pay promptly, upon receipt of a bill, for lock replacements or re-keying and for the cost of all materials and/or labor for repair of any damage to BHA property caused by the negligence or intentional act of the resident, a member of resident's Household or a guest; the bill shall clearly state the items for which the charge is made, the work done, and the cost of labor and materials; the bill shall not become due and payable before the first day of the second month following the month in which the charge is billed; BHA will post in each management office a list of the hourly rate charged for labor. The resident may dispute the bill through the BHA grievance procedures.

9.8.3 Move-Out Inspection

The BHA will inspect the apartment after the resident vacates the apartment and give the resident a written statement of conditions, repairs, cleaning and replacements for which the resident is responsible. The resident and/or his/her representative may join in such inspection, unless the resident vacates without notice to the BHA.

9.9 Lease Termination Procedures

The lease of a BHA resident provides the terms and procedures for termination of the lease.

9.9.1 Recordkeeping Requirements for Lease Termination

A written record of every termination and/or eviction shall be maintained by BHA in the resident file, and shall contain the following information:

(a) Name of resident, number and identification of the apartment occupied;

(b) Date of the 14-Day Notice, 30-Day Notice, or other notice of Intent to Terminate and the

(c) Notice to Vacate;

(d) Specific reason(s) for the Notice(s), indicating the section(s) of the lease allegedly violated, and other facts pertinent to the issuing of the Notices described in detail;

(e) Date and method of notifying the resident;

(f) Summary of any conference held with the resident including date, names of conference participants and conclusion.

(g) Decisions of any grievance panel hearings.

CHAPTER 10: MISCELLANEOUS PROVISIONS

10.1 Deprogramming Apartments

BHA will seek approval from DHCD and HUD prior to deprogramming any apartment in Federal or State-assisted developments/AMPs in accordance with applicable regulations. A deprogrammed apartment is one that is no longer available for occupancy under a BHA resident lease.

10.2 Supported Housing Programs

10.2.1 Social Service Agreements

At its discretion, and if required with HUD and/or DHCD approval, the BHA may enter into an agreement with social service or other agencies to provide supportive services to Applicants and residents, including targeted populations, who need special help in order to establish and maintain tenancies, provided that evidence exists that the agencies are reliable organizations with experience at providing related services and are fiscally sound.

Assistance required under such agreements shall include, but is not necessarily limited to, the following services:

- (a) Assistance in evaluating applicants for program participation;
- (b) Checking to see if the residents are paying their rents and other charges and are properly maintaining their units;
- (c) Helping residents to maintain their households, including managing their money;
- (d) Providing specialized supportive services and crisis intervention in order to obtain necessary treatment to avoid eviction action.
- (e) All Applicants and residents who participate in these programs must meet the Threshold Requirements for the program for which they are applying.
- (f) All Applicants and residents who participate in these programs must meet the Applicant Screening Criteria as specified in this policy and/or any Memorandum of Agreement between the BHA and the service organization.

10.2.2 Apartment/Development/AMP Designations

Supported Housing Programs may be established for a development/AMP or certain designated apartments within a development/AMP.

10.3 Designated Housing Program

10.3.1 Plan Description

The BHA will allocate units in the Federal Elderly/Disabled developments/AMP in order to move towards a ratio of 80% designated to elderly families and 20% to non-elderly disabled families. In order to achieve these percentages additional admission Preference Points will be applied to Elderly and Non-Elderly Disabled Applicants at designated Elderly/Disabled Program developments/AMPs. The Preference Points will be applied when: 1) Applicants who are Elderly and are on an Elderly/Disabled Program development/AMP wait list where the Elderly resident population is less than 80% and who **do not** require wheelchair accessible units will receive Preference Points in addition to any they may already have and 2) Applicants who are Non- Elderly Disabled and are on an Elderly/Disabled Program development/AMP wait list where the Non-Elderly Disabled resident population is less than 20% and who **do not** require wheelchair accessible units will receive Preference Points in addition to any they may already have.

Under this Plan, there are times when BHA selects elderly applicants ahead of non-elderly disabled applicants in order to reach agreed-upon percentages in its housing developments. Non-elderly disabled applicants who are bypassed may become eligible for a Section 8 Housing Choice Voucher from a set-aside created by the Designated Housing Plan.

10.3.2 Development/AMP Designation

The BHA will monitor the percentages of elderly and non-elderly disabled households living in each Elderly/Disabled Development/AMP on a monthly basis. When the percentage of elderly households occupying a development/AMP reaches 75%, the development/AMP will be flagged so that each subsequent offer of housing will be reviewed by a Manager in the Admissions Department. When the percentage of elderly households occupying a development/AMP reaches 80%, the BHA will turn off Designated Housing preference points to elderly applicant households for this development/AMP. If the percentage of elderly households occupying a development/AMP falls below 80%, the BHA will turn on Designated Housing Preference points to elderly applicant households for this development/AMP. The BHA shall also monitor closely when the percentage of non-elderly disabled households occupying a development/AMP reaches 20%, the BHA will turn off Designated Housing preference points to non-elderly disabled applicant households for this development/AMP. If the percentage of non-elderly disabled households occupying a development/AMP falls below 20%, the BHA will turn on Designated Housing Preference points to non-elderly disabled applicant households for this development/AMP.

10.4 Resident Custodians and Special Assignment Laborers

10.4.1 Rules Governing Residency

Resident custodians and special assignment laborers (BHA employees living in BHA apartments as a condition of employment under a license agreement) must be

determined eligible in accordance to the Resident Custodian or Special Assignment Laborer license agreement. They shall not be considered public housing residents. They are not subject to the same requirements (including the waiting list procedure) and do not have the same rights as public housing residents. In particular, they:

- (a) Do not have to qualify as a Low Income Household;
- (b) Are not subject to the BHA's resident selection procedures;
- (c) May be charged a reasonable rent or may be provided a BHA apartment rent-free;
- (d) Are not subject to BHA lease and grievance procedures, but have a license agreement for occupancy with the BHA; and
- (e) Are not entitled to remain in the same apartment in public housing if their employment is terminated, but shall be entitled to apply for public housing.

10.4.2 Admission as Residents

Upon change in status, resident custodians and special assignment laborers may apply to become BHA residents, but may only be admitted to a BHA apartment after they have been determined Eligible and Qualified as defined by the BHA's ACOP. Upon the successful completion of the final eligibility determination process a housing offer assignment will be made pursuant to the Resident Custodian or Special Assignment Laborer license agreement.

10.5 Occupancy by Police Officers (Federal Developments/AMPs Only)

10.5.1 Definition of Police Officer

For purposes of this subsection, a police officer is defined as a person who is employed on a full-time basis as a duly licensed professional police officer by a Federal, State or local government or by any agency of these governments. An officer of a local police force or an accredited police force of a housing agency may qualify.

10.5.2 Purpose of Policy

In order to increase security for BHA public housing residents, the BHA may allow police officers to reside in a public housing apartment, even if such police officers might not otherwise qualify, based on income, for BHA public housing.

10.5.3 Terms of Tenancy for Police Officers

(a) Occupancy

Police Officers who apply for BHA housing will be subject to the same terms, standards (other than income) and procedures that are applied to all other BHA Applicants.

(b) Verification

Police officers will undergo the same verification procedures applied to other BHA Applicants. Those procedures are outlined in this Admission and Continued Occupancy Policy. Screening criteria contained in this policy therefore apply.

(c) Waivers

Police Officers approved for occupancy in BHA apartments will be given a waiver that allows them to be chosen for BHA housing without being placed on the Authority's waiting list.

(d) Lease

Police Officers shall execute a lease or occupancy agreement with the BHA providing for the terms of occupancy of an apartment.

(e) Annual Re-certification

Continued employment as a police officer as defined in this subsection, will remain a determining factor in the renewal of a Police Officer's lease or occupancy agreement. Police Officers are therefore required to submit annually to the BHA proof of continued employment as a police officer.

(f) Failure to remain employed as a Police Officer will therefore result in a refusal to renew a Police Officer's lease or occupancy agreement.

If a person is no longer a Police Officer, but meets the BHA eligibility standards, the Police Officer may apply for admission as a BHA resident.

10.5.4 Apartments to be Occupied by Police Officers

The BHA will offer apartments to Police Officers based upon BHA-determined security needs. In no event shall the number of apartments allotted for Police Officers exceed one Police Officer per development/AMP with more than 100 apartments but less than 500 apartments, and not more than two Police Officers for any development/AMP with over 500 apartments.

10.6 Pet Policy

BHA residents may have pets, in accordance with the BHA’s current Pet Policy for the specific development(s)/AMP(s) at which they select to live. The Pet Policy is in accordance with HUD or DHCD requirements.

10.7 Policy Waivers

10.7.1 ACOP Waivers

The Administrator, or his/her designee who shall be a senior management employee, may approve a waiver of any provision of this policy not required by law if the waiver of such provision would avoid substantial hardship or substantial injustice to an Applicant or a transfer applicant. Each decision to waive a provision of the ACOP must be documented in writing. No waiver shall be contrary to federal, state, or local law. No waiver shall be in violation of Chapter 1, Section 1.1 of this ACOP. Examples of situations in which a waiver may be requested and approved include but are not limited to: individuals with a potentially terminal illness, for example, AIDS, who are experiencing a housing crisis, a Household which must abandon its current housing in a distant location in order to relocate to Boston so that a seriously ill Household Member can receive specialized medical treatment available at a Boston area medical facility.

10.7.2 Waiver of State Regulation

The BHA follows the code of Massachusetts regulation, 760 CMR 5.00 and 6.00 in administering state public housing. However, this policy waives certain provisions of state regulation with the purpose of increasing customer service and effective management of BHA programs. Specific waivers contained within this policy have been requested by BHA and authorized by DHCD. Waiver requests and approvals shall be posted on www.bostonhousing.org.

10.8 Non-Smoking Policy

The BHA has incorporated its non-smoking policy into the non-smoking Lease Addendum.
