

RESIDENT SERVICE COORDINATORS

The BHA's Elderly and Disabled Resident Service Coordinators have been trained to:

- perform need assessments and make appropriate referrals for services
- access services to enhance tenancy and independent life
- coordinate services for home bound frail elderly/disabled
- help residents to access services that enhances quality of life
- assist in crisis intervention with tenants at risk
- advocate and liaison with management, family, health providers and community agencies.

TRANSPORTATION

Public transportation is located at the corner of Boston Street right by Bellflower Apartments. Residents may connect to any MBTA line through Andrew Square. A shuttle bus is also available from Andrew Square so that residents may easily visit South Bay Shopping Center.

THE RIDE, a door-to-door transportation service provided by the MBTA, is available by appointment for persons with disabilities.

Also, a city-operated Senior Shuttle is available by appointment for residents to go to doctor's appointments and grocery shopping.
