

RESIDENT SERVICE COORDINATORS

The BHA's Elderly and Disabled Resident Service Coordinators have been trained to:

- perform need assessments and make appropriate referrals for services
- access services to enhance tenancy and independent life
- coordinate services for home bound frail elderly/disabled
- help residents to access services that enhance quality of life
- assist in crisis intervention with tenants at risk
- advocate and liaison with management, family, health providers and community agencies.

TRANSPORTATION

A MBTA bus stop is located one block away from West Ninth Street. Buses provide transportation to shopping in South Boston, the Broadway and Andrew Square MBTA stations and to downtown Boston via New England Medical Center.

THE RIDE, a door-to-door transportation service provided by the MBTA, is available by appointment for persons with disabilities.

Also, a city-operated Senior Shuttle is available by appointment for residents to go to doctor's appointments and grocery shopping.
