

BOSTON HOUSING AUTHORITY
UFAS UNITS COMING ON LINE
Elderly/Disabled Development Descriptions

- Sites indicated below are part of the Boston Housing Authority’s program to add accessible units to its supply of housing. In addition to showing when which types of units are coming on line over the course of the program, fields are included to show public transit nearby (1/4 mile to bus stop, ½ mile to subway lines) and medical facilities within two miles of the site.
- **Note:** For complete descriptions of each development and additional information on the application process please visit the BHA online at www.bostonhousing.org
