COVID-19 Booster Shots:

The updated COVID-19 boosters that provide protection against the Omicron variant are available in Massachusetts. Anyone 6 months or older who completed a primary COVID-19 vaccination series OR received a booster dose at least two months ago should get the updated booster. You can learn more about BPHC's recommendations and find vaccine clinics in Boston on this [page](#).

Elderly Boston Housing Residents are especially encouraged to make an appointment and receive the vaccine. This is a free service, stay protected and safe!

Learn about the BHA's Section 3 Policy and Contract Compliance:

The Section 3 Policy is intended to benefit BHA residents, BHA voucher holders, low income residents in the Boston area, and low income businesses. Please visit the BHA Section 3 Compliance page at [this link](#). Additionally, if you or someone you know owns a construction related business, please visit the website for resources or contact the Office of Civil Rights about Section 3 Business opportunities.

Find the Affordable Connectivity Program [application here](#) or request a paper copy from rec@bostonhousing.org.

FFC

AFFORDABLE CONNECTIVITY PROGRAM

WHAT IS IT?
The Affordable Connectivity Program is an FCC program that helps connect families and households struggling to afford internet service.

The benefit provides:

- Up to \$30/month discount for internet service;
- Up to \$75/month discount for households on qualifying Tribal lands; and
- A one-time discount of up to \$100 for a laptop, desktop computer, or tablet purchased through a participating provider.

WHO IS ELIGIBLE?
A household is eligible for the Affordable Connectivity Program if the household income is at or below 200% of the Federal Poverty Guidelines, or if a member of the household meets at least one of the criteria below:

- Participates in any of the following assistance programs: SNAP, Medicaid, Federal Public Housing Assistance, Veterans Pension or Survivor Benefits, SSI, WIC, or Lifeline;
- Participates in any of the following Tribal specific programs: Bureau of Indian Affairs General Assistance, Tribal TANF, Food Distribution Program on Indian Reservations, or Tribal Head Start (income based);
- Participates in the Free and Reduced-Price School Lunch Program or the School Breakfast Program, including through the USDA Community Eligibility Provision;
- Received a Federal Pell Grant during the current award year; or
- Meets the eligibility criteria for a participating broadband provider's existing low-income internet program.

TWO STEPS TO ENROLL

1
Go to [GetInternet.Gov](https://www.getinternet.gov) to submit an application or print a mail-in application

2
Contact your preferred participating provider to select an eligible plan and have the discount applied to your bill.

Some providers may have an alternative application that they will ask you to complete.

Eligible households must both apply for the program and contact a participating provider to select a service plan.
